without friendship*

Cicero

Doris,
What can I say,
or write. All this time
I've known you you've become
very special to me in many
ways. All through we have had
some rough times I've never regretted
you. I hope someday you can see what we
I tried to tell you, Till then why can't we
be friends? After all the times we had together
I could never forget you. And I hope you well
never forget me. Love You forever,
Sean

"Friend"

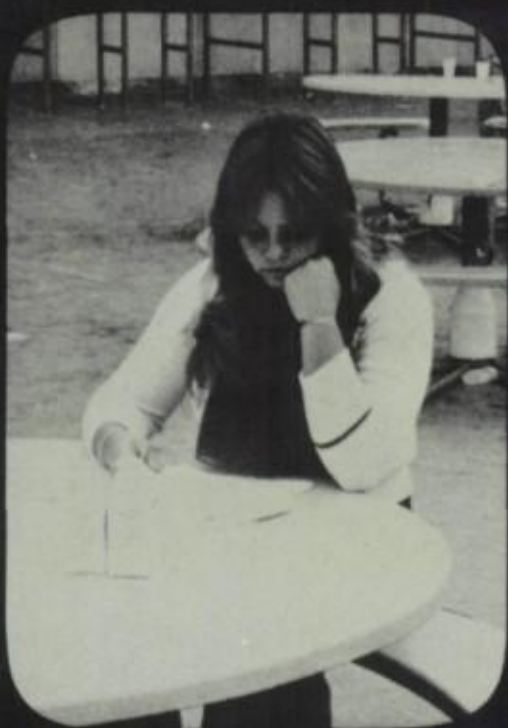

A friend is:
Someone to tell your inner most thoughts,
Dirty or not
Someone to run to when there is a tear,
Through the year
Someone who cares enough to tell you,
If you're wrong or right
Someone to giggle and laugh with,
All day and night
Friend;
Thoughtful, Special, Helping, Listening
Giving, Forever always there.

The making of friends
Who are real friends,
Is the best token we
Have of a man's success
In life.

"A FRIEND ALWAYS"

MR. JAMES SIMS

1975 Dedication.

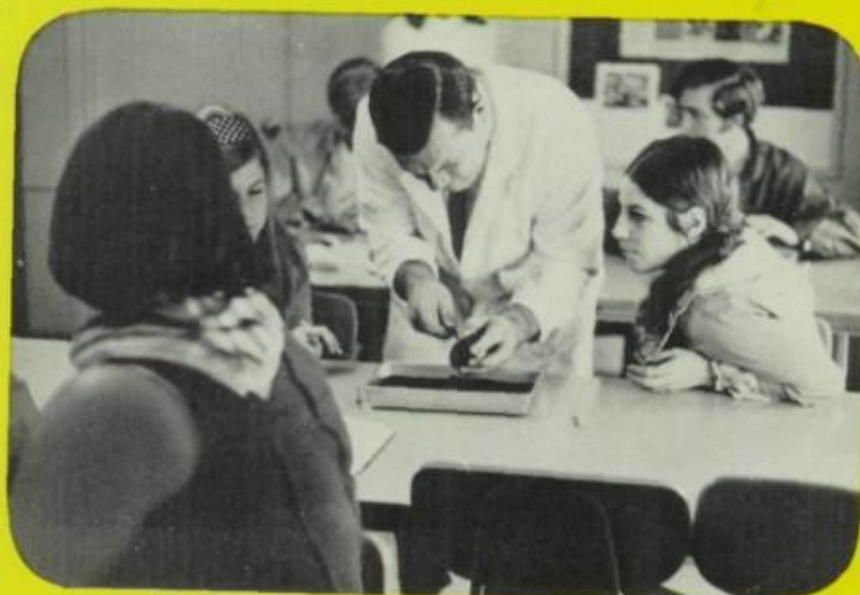

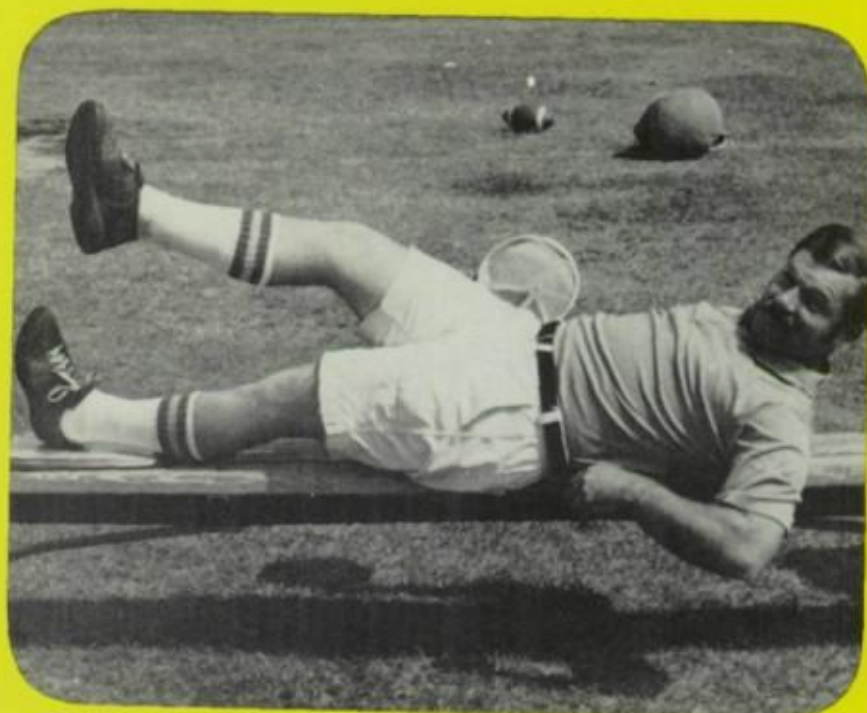

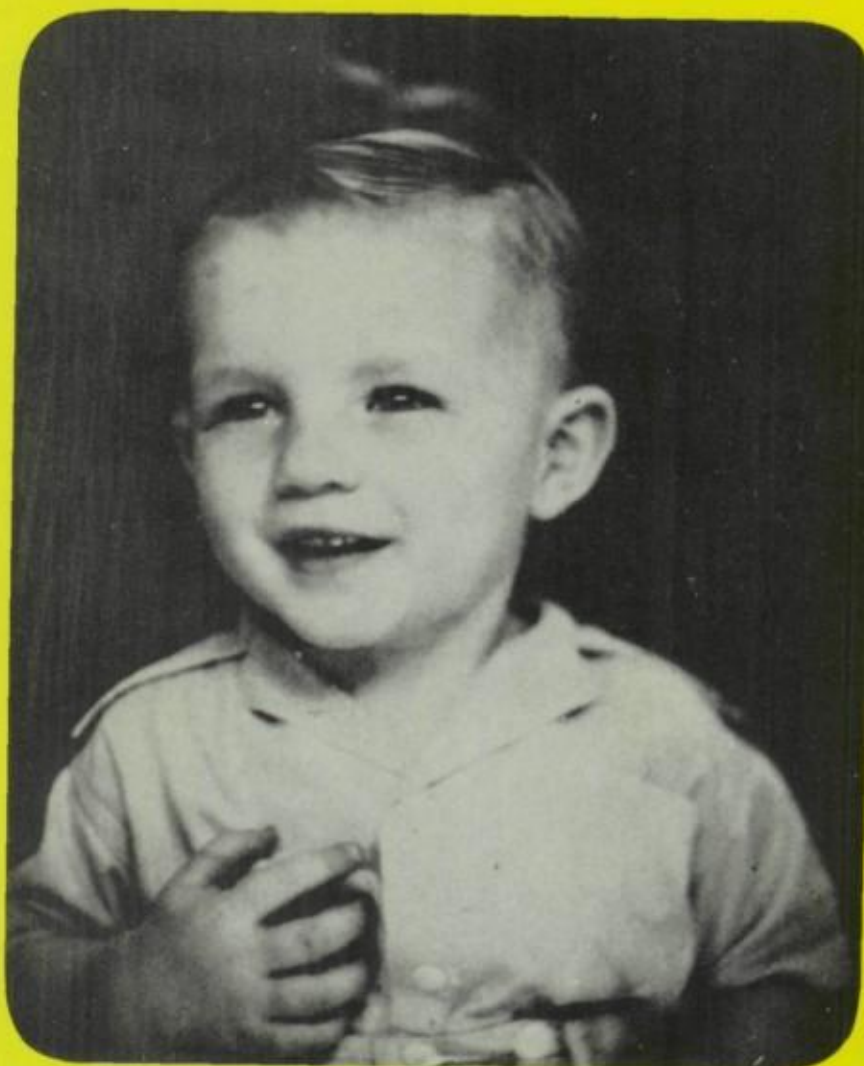

One of the most beautiful qualities of true friendship is to understand and to be understood. Mr. Sims is one of those beautiful people and shows in and out of the classroom what a friend really is. He is one who will make us do what we can and strives for us to reach the best in ourselves.

Mr. Sims, born in Finlay, Ohio, has a true dedication for education. He earned his degree in zoology at Cal State L.A. While attending school and working as lab technician for ELAC, he met his wife, Marlene. He now has two children Dave, 4, and Aaron, 3.

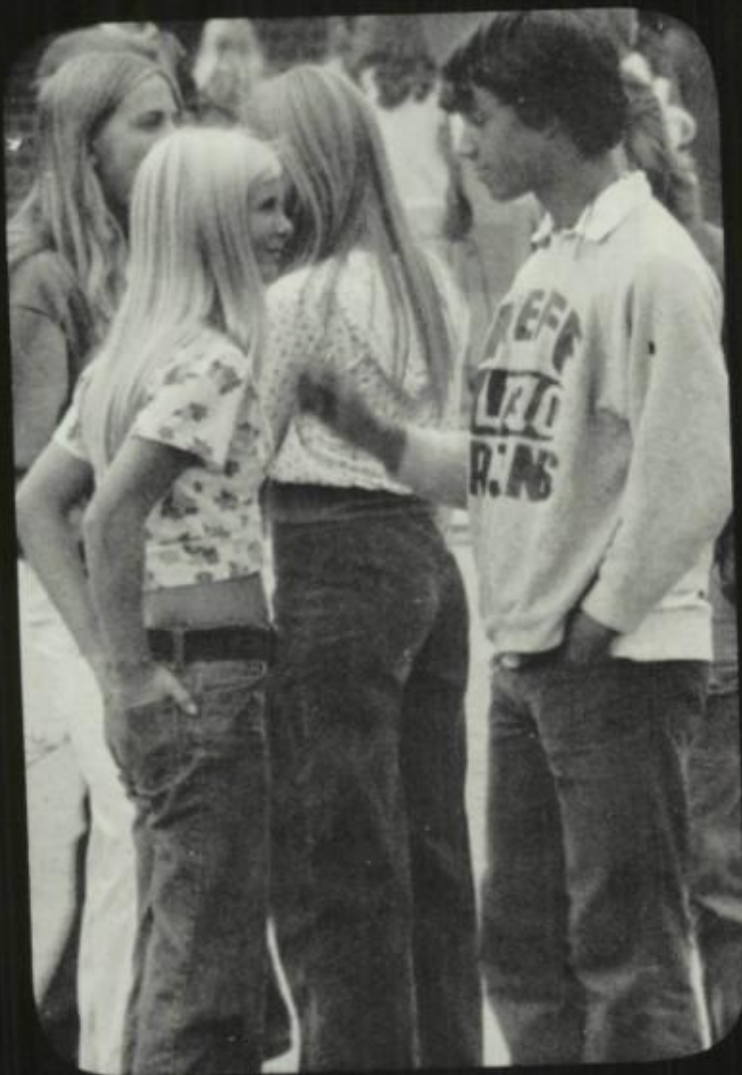

Mr. Sims taught physical and biological sciences at Rexford High School before coming to La Mirada in 1968. He is one of our science teachers teaching biology and geology. He is known as being a quite "exciteable" coach in both sports, football and wrestling. As a matter of fact he goes "bananas" over coaching. He is also currently the Junior Class sponsor.

Mr. Sims has two strong hobbies, the study of reptiles and amphibians. His other interests are fishing and chess. He idolizes John Wayne and tries to see all his movies.

The annual staff is very honored to dedicate our 1975 La Capa to Mr. James Sims.

OF 1975

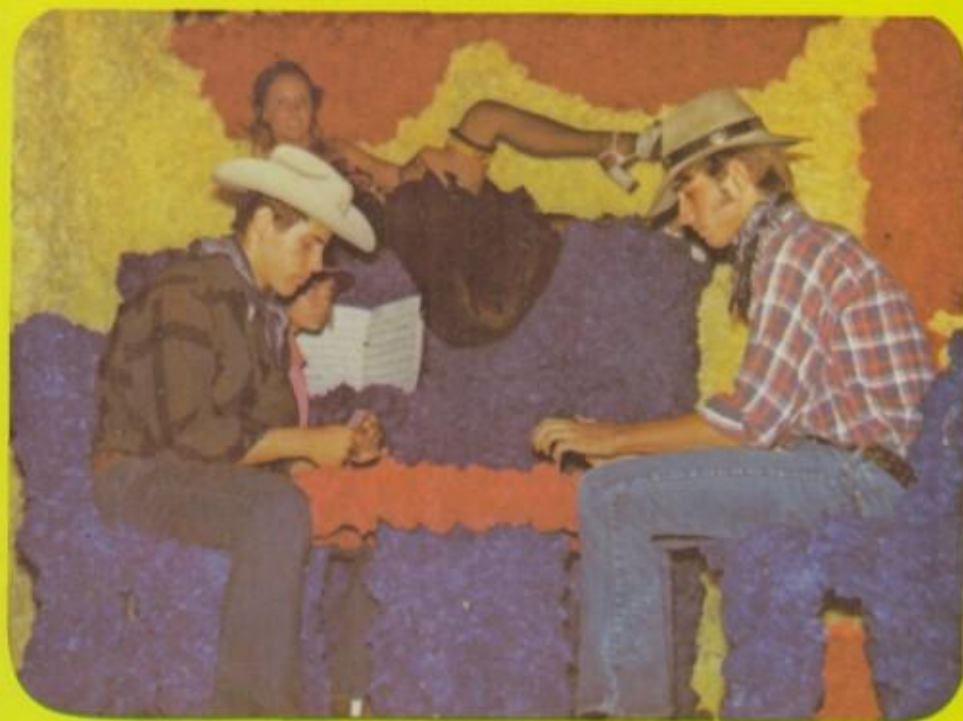

What Is a Friend?

A friend is a person of great understanding
 Who shares all our hopes and our schemes,
 A companion who listens with infinite patience
 To all of our plans and dreams,
 A true friend can make all our cares melt away
 With the touch of a hand or a smile,
 And with calm reassurance make everything brighter,
 And life always seem more worthwhile —
 A friend shares so many bright moments of laughter
 At even the tiniest thing —
 What memorable hours of light-hearted gladness
 And pleasure this sharing can bring!
 A friend is a cherished and precious possession
 Who knows all our hopes and our fears,
 And someone to treasure deep down in our hearts
 With a closeness that grows through the years!

THE YEAR STARTS OFF WITH SPIRIT!

Mighty Matadore, Susie Songleader, and Toughy Trojan wait for their new question.

Bruce is trying to stuff a balloon into Susan's pants.

Here Mike Fox tries to blow a tune with crackers in his mouth.

Here at La Mirada High, spirit is promoted throughout the year by our spirited pep units. Pep Rallies are started off with claps and chants to get the spirit moving. The pep rallies are held on Friday to get the spirit going for the game that night. Pep Rallies are organized by our pep commissioner Rita Campo. She and the pep units get together to plan the pep rallies. Even the teachers, students, and football players get a piece of the action.

You'll always find happiness at a Pep Rally.

Another year of success! This easily describes the 1974-75 Homecoming at La Mirada High. Homecoming started us off, once again, with the top 16 Senior girls. From them were chosen 5 girls who made up the Homecoming Court. These lucky five were: Debbie Blavat, Diane DeAngelis, Laura James, Nancy Revnak, and Shirley Valencia. Debbie Blavat was crowned "Queen."

Along with the Homecoming tradition, came Homecoming week. During this time, our five princesses were auctioned off as slaves, each bought at various prices. The winning guys could all relax for a day, as all heavy work was done by the chosen slaves.

Bruce Biddick and Jerry Brown, from Neff, helped participate in our Dating Game.

It was a very exciting Homecoming this year. The floats this year were all colorful as they paraded around the field. The winner of the float contest between the classes turned out to be the sophomore class. The excitement of the homecoming game came at half-time when the princesses were escorted around the field for all the spectators to see in a horse driven buggy. Then balloons filled the air as A.S.B. Vice President Robert Anderson announced the 1974-75 Homecoming Queen, Miss Debra Jean Blavat. After the game was the Homecoming dance. This was very successful as always, and the night was enjoyed by all.

The Boyfriend took plenty of hard work. There were rehearsals every day. It took plenty of work, not only from the cast but from Mr. Carl Castiglione, who did technical direction. Mrs. Julie Masner directed all vocal work. Mrs. Gavis did all choreography. This play brought out the talent we have here at La Mirada High School. The setting for this play is in Nice, France at an all-girl school where all the girls are taught to be perfect young ladies. It was in the roaring twenties. In fact, this play was actually a spoof on the roaring twenties, as Tom Dragt informed the audience at the beginning.

This year's children's show was an original script and music from the story Jungle Book. The production class performs over 80 shows, not including special events and senior mothers' tea. This year's student director was Leslie Hutchinson, who kept everyone together with enthusiasm. The people of the children's have worked very hard on rehearsals and shows, and have managed to keep up the work from their other classes. The play starts off with Mowgli the man-cub, played excellently by Karen Bourne, making friends with the wolf family. Suddenly Tabaki and Sherkan arrive on the scene, saying they want the man-cub and will get him sooner or later, but Bageera and Baloo give the man-cub to the wolf family so they can take care of him. Mowgli the man-cub decides to go out on his own and see the jungle for himself. They all laugh at this idea for they have already had to rescue him before from trouble. But the elephants volunteer to watch him. As soon as everyone is gone, Tabaki and Sherkan are back to take the man-cub. But they convince him to live in peace and harmony within the jungle and there is a big celebration.

DISNEYLAND

February 22, 1975

For some of these people, this is one of the last dances they will attend with L.M.H.S. students. The Seniors, as well as other classes, will remember this dance, along with other memories, as a night of fun and friendship.

The success of this dance goes to our Girls' League. Lots of work with decorations, scheduling, and meetings were put out by each girl. And it turned out just as planned! Judging the smiles and laughter of those who attended, this dance was indeed one of the best!

Couples in bright colors danced to the tune of "Bittersweet" in the South Exhibition Hall of The Disneyland Hotel.

FEMALES "FUN" TASTIC: GIRLS' LEAGUE

Girls' League: What It's All About

Girls' League is an organization on our campus that involves every girl who wishes to partake in any of the activities that are planned for the girls' enjoyment. They sponsor fund-raising activities that are fun as well as financially beneficial to the club.

Many different committees make up this club, each having a special field in which to work. This year, Girls' League has been very active and a big success led by their President - Janet Heese.

Outstanding Girls in Their League

This year Jacqi Pribnow headed the Modes and Manners committee of Girls' League. Their special contribution to campus life was in the choosing of a Girl of the Month for each of the ten months we were in school. Out of these, one outstanding person was again chosen for the special honor of Girl of the Year.

These ten girls were chosen on factors such as active participation, devotion to, and their ability to excel, in whatever they may have been doing on or off campus during any one particular month.

THAT'S ENTERTAINMENT . . . AT LMHS

A

A. The school year started out right as Debbie Ladeda and Monica Donaldson hosted a La Capa assembly. A new concept in annual advertising, this assembly was presented to motivate students to purchase a yearbook.

B. and E. An entertaining third period hour was spent when the U.S. Air Force Rock Band came to perform for us. Much enthusiasm was portrayed as some of the students began to dance behind the band. "Image," another visiting band, inspired the same type of student involvement.

C. Late in October we witnessed the talents of George Schaur, who has been acclaimed as the world's greatest ball handler. With his good sense of humor, he involved quite a few students in his routines.

D. and G. Students were bouncing with enthusiasm as Al Carter and the "Gymnastics Fantastics" executed stunts on the trampoline. Mr. Carter; Wendy, 9; and Darren, 5, were the performers. Darren showed us the five basic bounces essential to know in order to insure safety, and that's what it's all about.

F. This year LM students presented an outstanding talent show to a very receptive audience. Even some teachers got into the action . . . and . . . that's entertainment at LMHS!!!

SOUNDS OF FRIENDSHIP

Mrs. Julie Masner taught her first year of choir, Madrigals, and Folk Rock at LMHS and she has shown much enthusiasm. She also worked very hard on talent shows and this year's musical "The Boyfriend." As a choir the students have worked many hours on their selections for all programs, including the Christmas Program, Pop Concert, both talent shows, and other festivals. The Spring Concert was a combination of the talents of the Band and Choir. Every year music is selected to suit the season and occasion. The choir also sings at graduation.

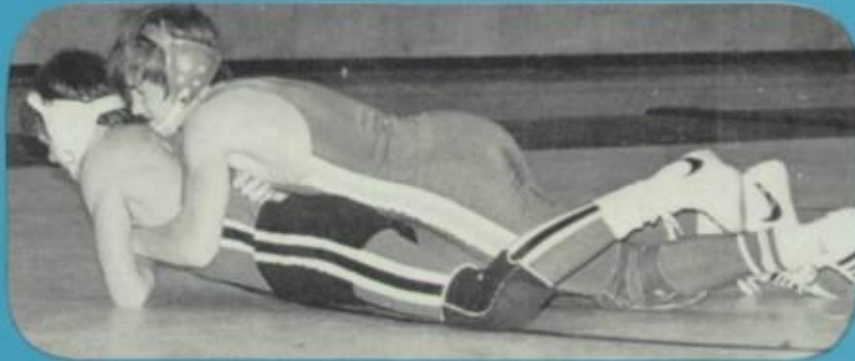

Mr. Rex Bonebrake has worked many hours with our Marching band. He has also worked hard with our fantastic jazz band. The band has also helped out with choir events such as the Talent show and games.

THE BEST EVER!

Head Coach Leo Haggerty, and his fine staff of assistant coaches, again lead La Mirada's Varsity Football team to their second consecutive San Gabriel Valley League Championship. In the last two years, the Matadores have not lost a league game making their record 13-0-1.

This year's Varsity team accomplished something that has never been done by any other varsity football team at La Mirada High . . . an undefeated season. The Matadores finished their season with a perfect record of 9-0, something which will

go down in La Mirada's history, and never be forgotten, especially by the thirty-six members of the Varsity team who worked so hard to obtain the S.G.V.L. Championship, and a berth in CIF.

The defense again was one of the main reasons for the Matadores' success. They were one of the lowest-scored-upon teams in CIF, and were also rated fifth in CIF ratings three weeks in a row. La Mirada shut out their opponents four times this season, and gave up a total of 45 points in nine games, which gave them an average of 5

points scored against them a game.

The offense this year was one of the best La Mirada has ever seen. They scored 152 points in nine games and averaged 19 points per game in league. The main reason for La Mirada's success was the balance of their attack. Their running game was awesome, and their passing attack was there when they needed it.

Although La Mirada couldn't seem to put it all together against Villa Park in their first CIF game, the 1974-1975 Matadores have a lot to be proud of.

FOOTBALL: JV'S HAVE THE KNOW HOW

La Mirada High School's Junior Varsity Football team ended their season with a record of 5-3-1. Opening their impressive season against the Neff Trojans, LM suffered defeat in a hard fought game. A tiny break in the blue defense caused a Trojan touchdown late in the fourth quarter to make the final score 6-0.

Next the JV's tackled a tough 4-A team, Hawthorne. Big Blue prevailed for a 6-0 win.

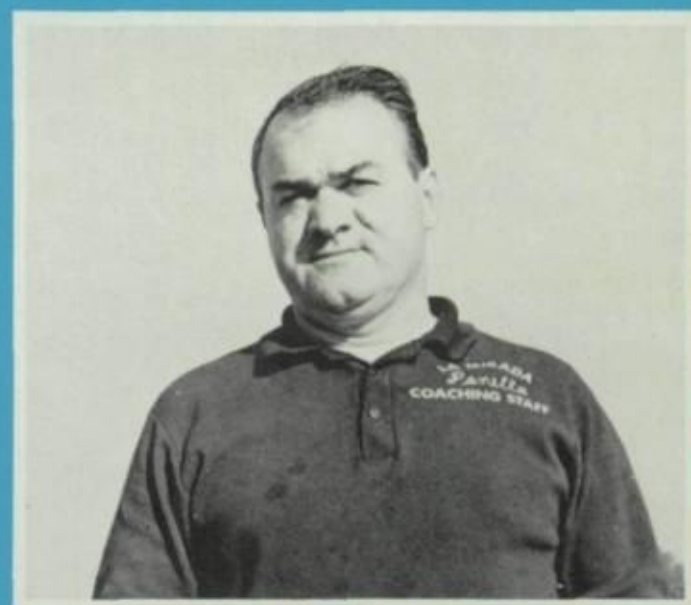

After beating Warren on a forfeit, the Matadores traveled to Bellflower to take on the Buccaneers. LM proved too powerful though, as they took a 14-0 win, bringing their league record to 2-0. The Matadores showed great execution of their running game with good performances by Mark Charles and Ron Whitmore.

Next, LM dropped a hard-played game to Excelsior. The blue offense was fumble plagued losing the ball seven times. Despite their bad luck, LM continually drove down the field attempting to score. The Pilots took advantage and won 13-0.

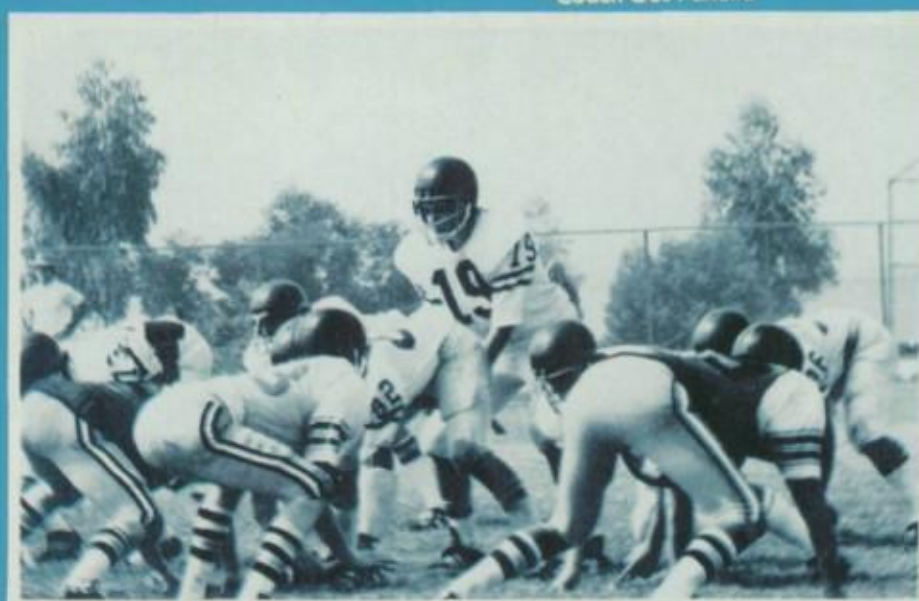

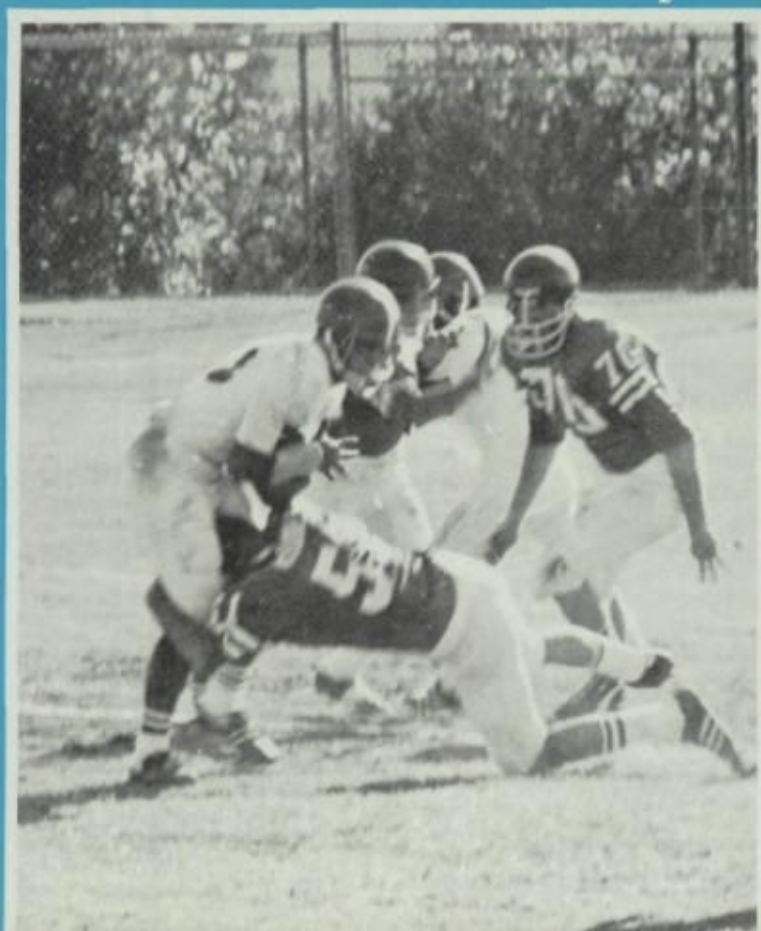

Paramount came alive this year and challenged the Matadores. Although the blue played better than the Pirates, the outcome was a 7-7 tie.

1. Jim Erickson runs for a touchdown to win a victory over Norwalk. 2. Rande Scott pulls down Neff Trojan. 3. LM tacklers crush their opponents in exciting game. 4. Matadore JV's line up behind quarterback Gon Garcia in opening game against Neff High.

Coach Gus Panella

La Mirada came home to go against Norwalk. The Lancers just couldn't seem to put it together as the mighty blue crushed them 44-0. Once again the JV's showed a fine performance.

The Matadores traveled to Downey High to tackle the powerful Vikings. LM played a hard nose-to-nose game that could have gone either way. Unfortunately Downey came out on top 20-18.

The JV team played their final game against Lynwood. The Knight's speed and skill was no match for LM's powerful determination. The Matadores came out victorious with an impressive 20-12 win.

The JV team was coached this year by Gus Panella and Mike Gillen.

JUNIOR VARSITY

1. Matadore Scott Palazzo runs the ball back for a LM first down. Big Blue proved their running ability this year as well as passing. 2. Rande Scott tries to out maneuver the Neff Trojans in the Matadores first game of the season. The blue machine fought hard all season long and usually came out on top. LM's number one!

The Sophomore team, coached by Jim Sims, started their season very slowly but made tremendous improvement during the season. Although hampered by injuries, the team came through to do a good job. Ken Hawkins, Mike McClanahan, and Dan Murayama were the key backfield men. While Dennis Vickers, and Jim Basset had a good year on the line. Brian Horton (97 tackles), Guy Courtney (68 tackles), and Craig Jeskey (57 tackles) were the stronghold of the defense. Two other key players were Mike Bragman at tackle and Tom Dixon at safety.

The Freshman football team showed spirit and pride this season as they continued to fight through to the end.

With Co-captains Gene Turner and Jim Lineburger, the team, though it was tough, played their hardest. Coaches Tony Donvito and George Stevens got the team together as they won their best game, which was against Paramount, 16-0.

LM charged on through the season playing the next best game against the Excelsior Pilots. Even though the team played their hardest the Matadores were defeated, but were in the game up to the last whistle, the score stood 20-14.

The outstanding Matadore players were Lineburger, who was chosen most valuable lineman, Dourto most valuable back, Turner received the captain award and Johnson took most improved.

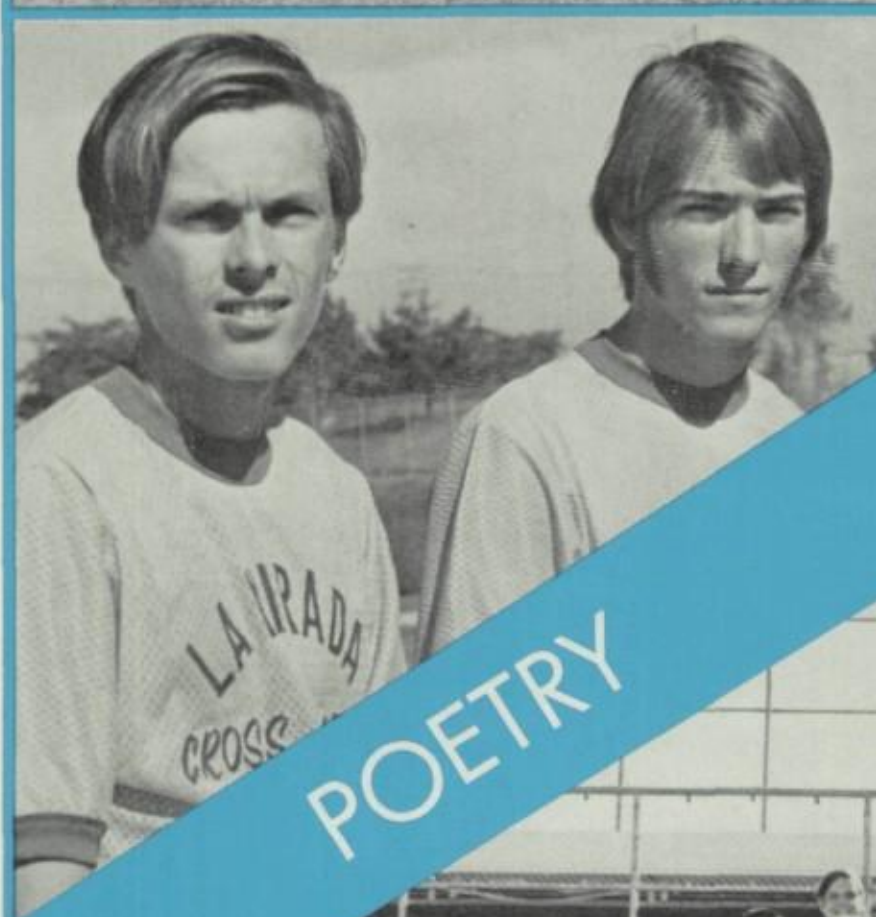

Our school is proud of the freshman team.

Gary Poole finds his way through the crowd with a fantastic play for LM.

This LM Matadore proves he can make it, as he charges through the Hawthorne Cougars.

POETRY IN MOTION

They're off and running! La Mirada Cross Country freshmen pull out to an early lead in a dual meet against Bellflower. The frosh did well with their material.

Dave DeBoer and Jeff Mears discuss strategy for an upcoming race. It worked because both have done very well through the year!

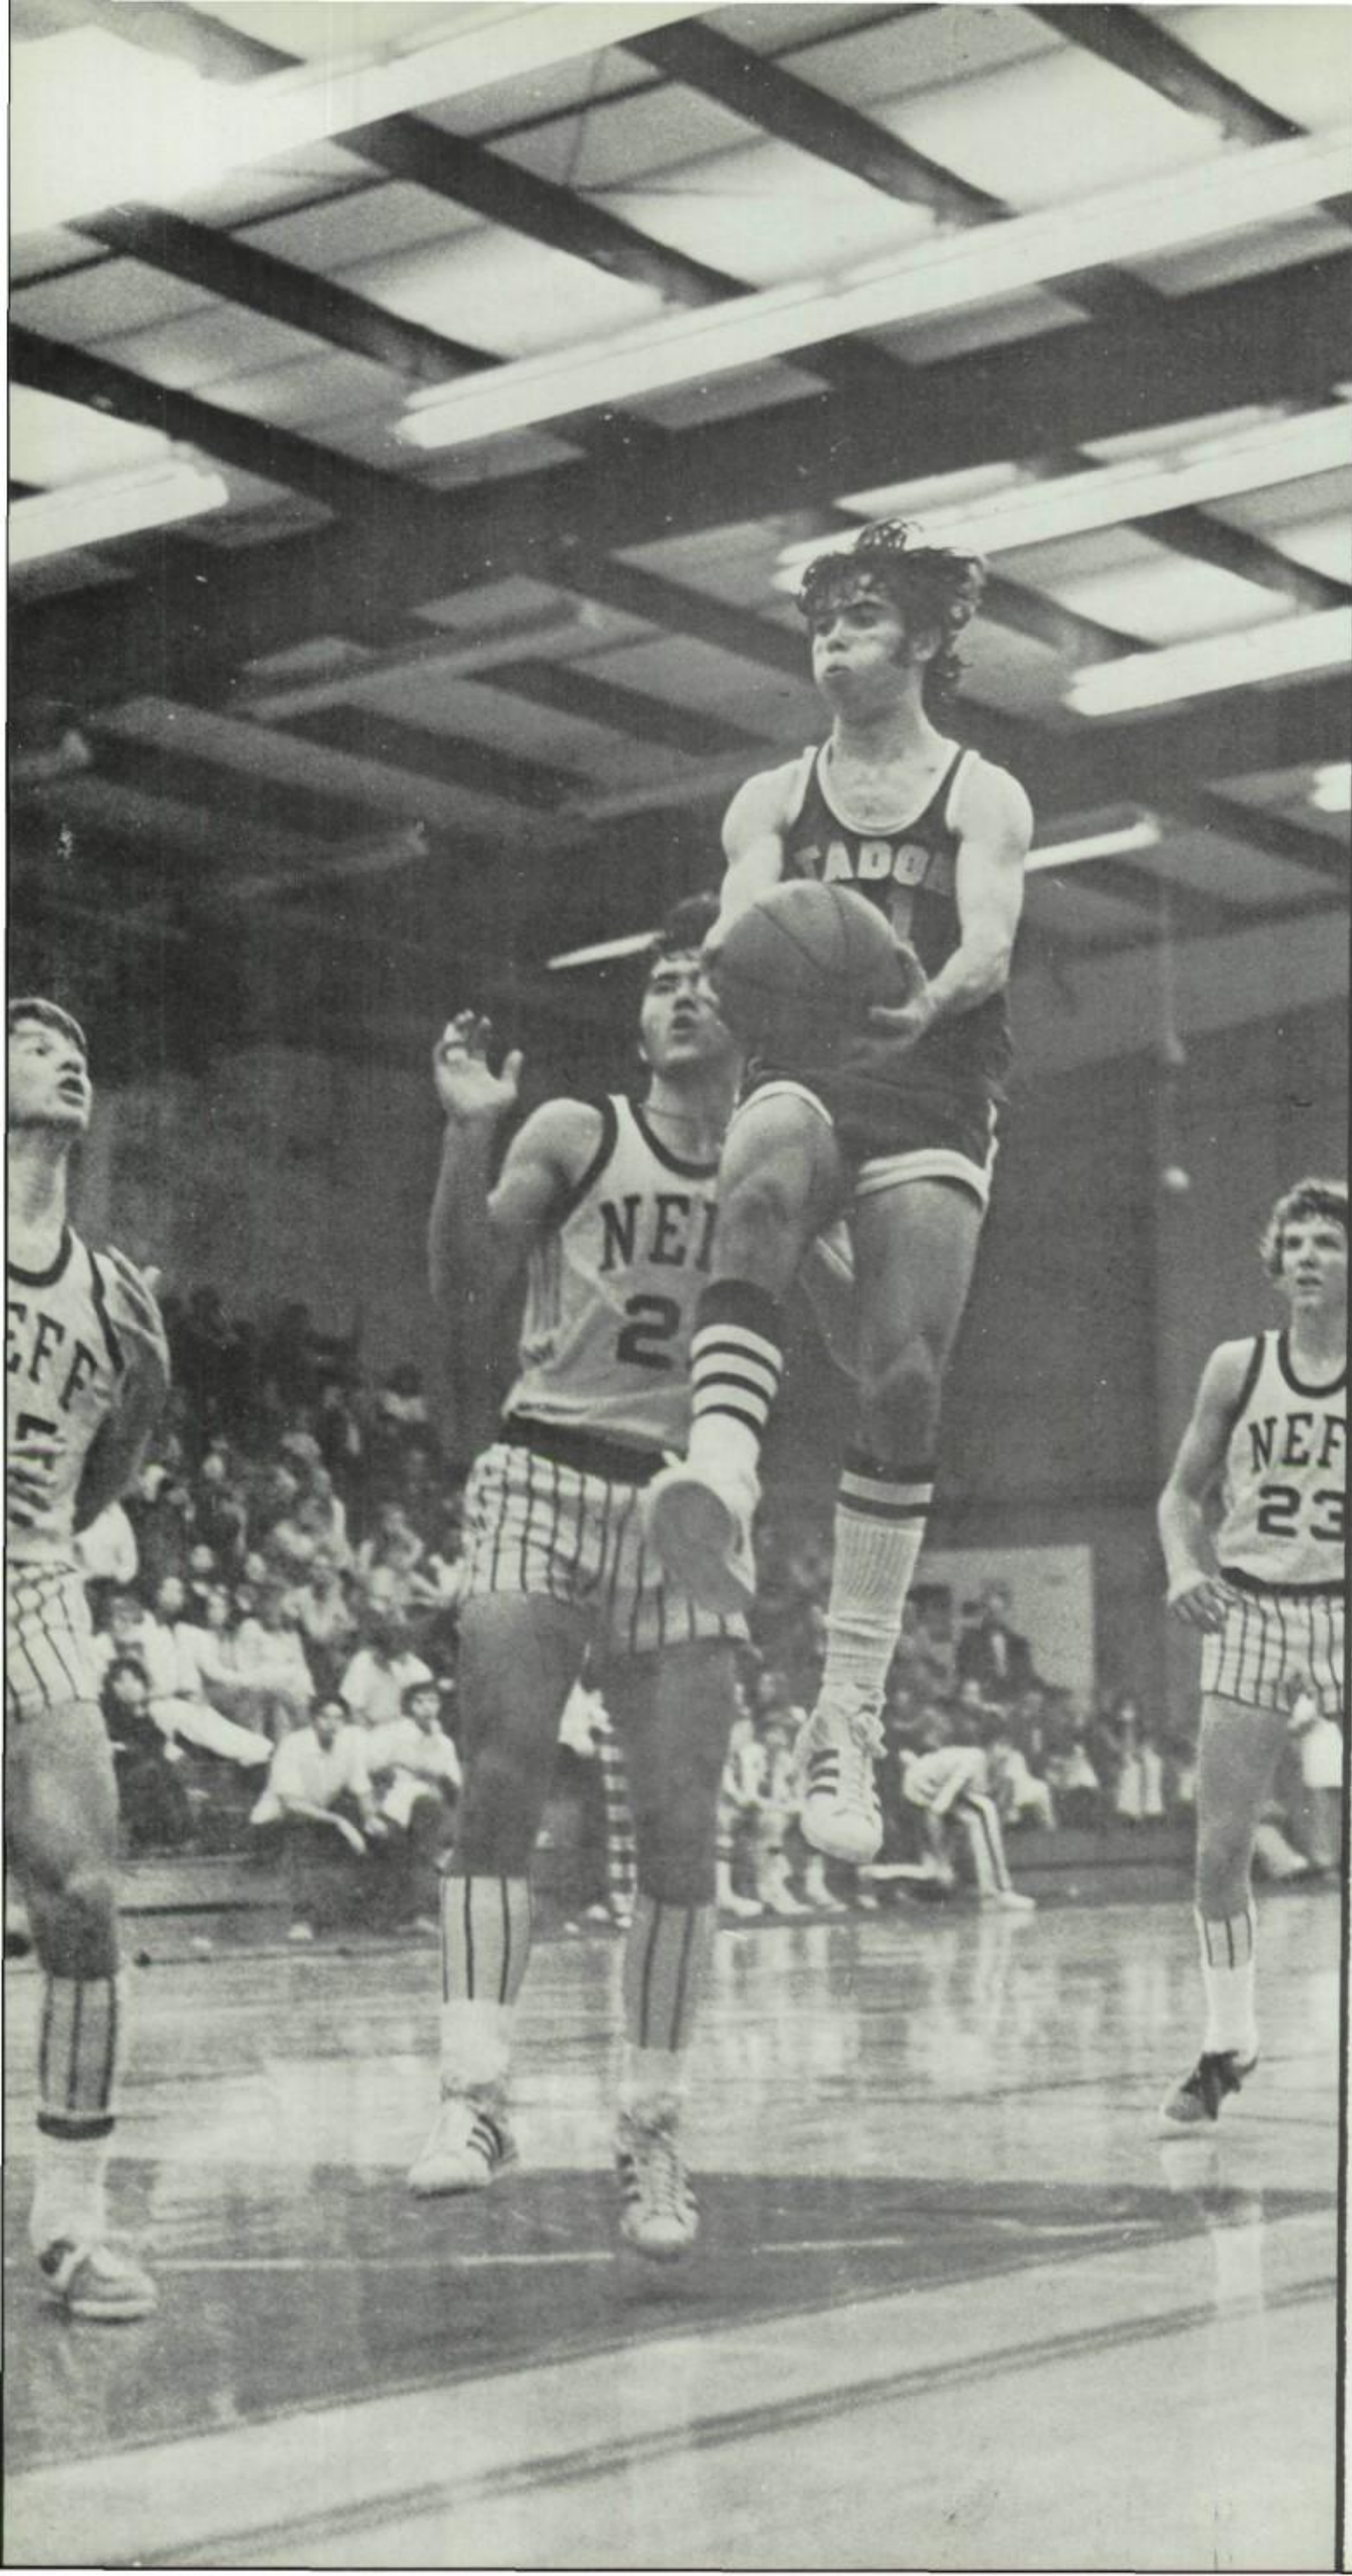

This year's Cross Country squad was highlighted, not by overall team scores, but rather by individual performances. At the Varsity level, Richard Medina proved to be an outstanding runner. Out for his first year, Richard tallied the greatest number of total points at the Varsity level, running well in each competition. He was "Runner of the Week" against Excelsior, and only a junior this year, he promises to be a great asset to next year's Cross Country team. Co-Captains Greg Luckner and Steve Nowak also excelled at the Varsity level scoring valuable points for La Mirada. The Varsity won only one dual meet this year, "although close in many," against Downey, in which Jack DeBoer was the "Runner of the Week," improving his time the most.

The Junior Varsity team had improvements in many areas, but still fell short of Coach Bill McMasters' expectations. Outstanding runner for this year's squad was Ed Pierce, who tallied a total of 21½ points to the J.V. Team.

Rounding out this year's team was a great crop of freshmen. Led by a super runner in Doug DeBoer, the frosh rookies were in the meets till the last gun. Doug also collected the most points tallying 35.

With a little more experience it is felt that the Cross Country team can rebound next year and have a great year.

L.M. FIGHTS THEIR WAY

The 1974-75 La Mirada High School Varsity Basketball team once again proved that L.M. is the best! Led by the fine coaching of Mr. John Moore, the Matadores earned a place in C.I.F. championship play! Despite their finesse and skill, the Big Blue were eliminated by Los Altos in first round play.

The Matadores fared well in pre-league action, defeating Pacifica and Buena Park by scores of 60-44 and 60-52. Leading the scoreboard against Pacifica were Doug Widtfeldt and Paul Ruiz with 18 points apiece. These two also led the scoring against Buena Park with Widtfeldt scoring 18 points and Ruiz turning in 12 points.

League action began against Warren High School with Big Blue trouncing over the Bears with a score of 60-48. Leading scorer was Widtfeldt with 27 points. Downey proved to be the most exciting game of the season as the lead changed hands several times. Unfortunately, the final seconds determined the Vikings the winner, 51-50. Next La Mirada traveled to Bellflower and the Buccaneers inched their way ahead and defeated the Matadores, 60-50. Big Blue came back in their next two games and crushed Paramount and Norwalk by scores of 56-54 and 46-40.

Leading scorer in these two games was Tom Kretschmar with 15 points each time. The Matadores dropped the next game to Lynwood, but the Knights had to fight for it! The final score was 43-40. The Matadores bounced back again and defeated Excelsior, 74-54. Widtfeldt and Ruiz led the scoreboard with 16 apiece.

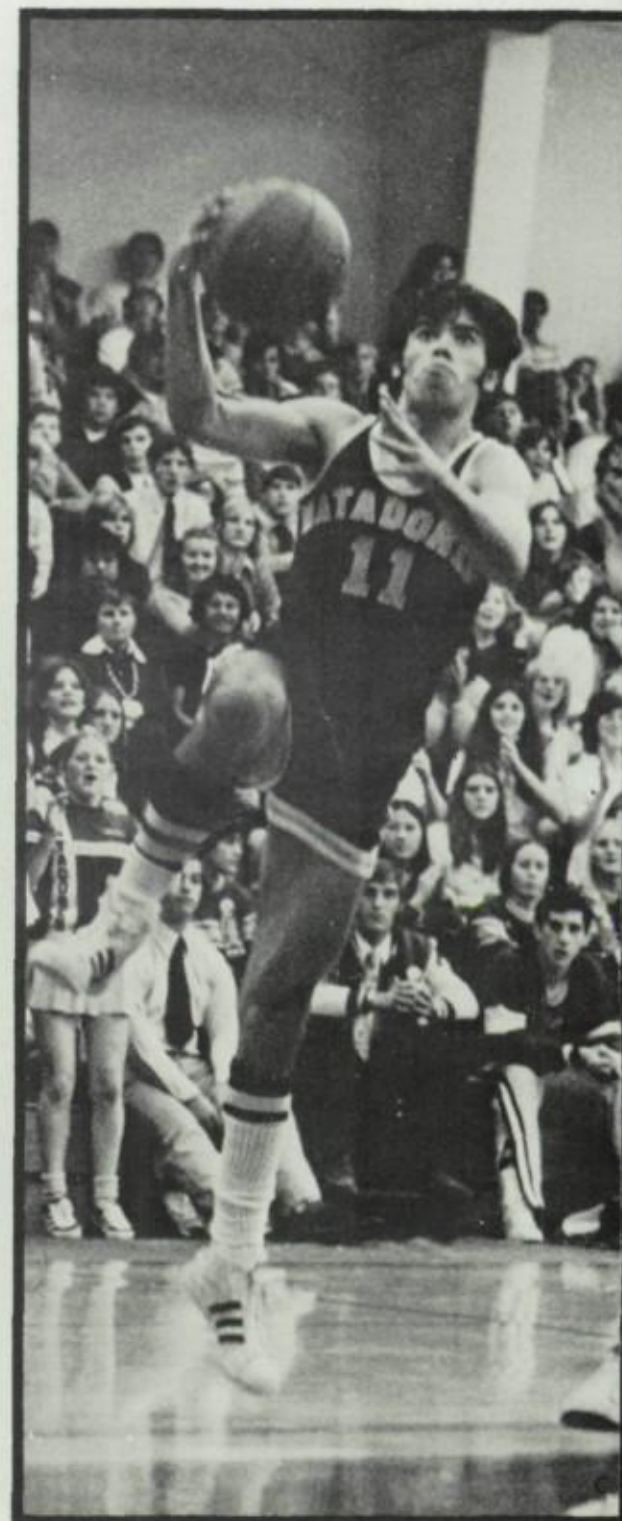

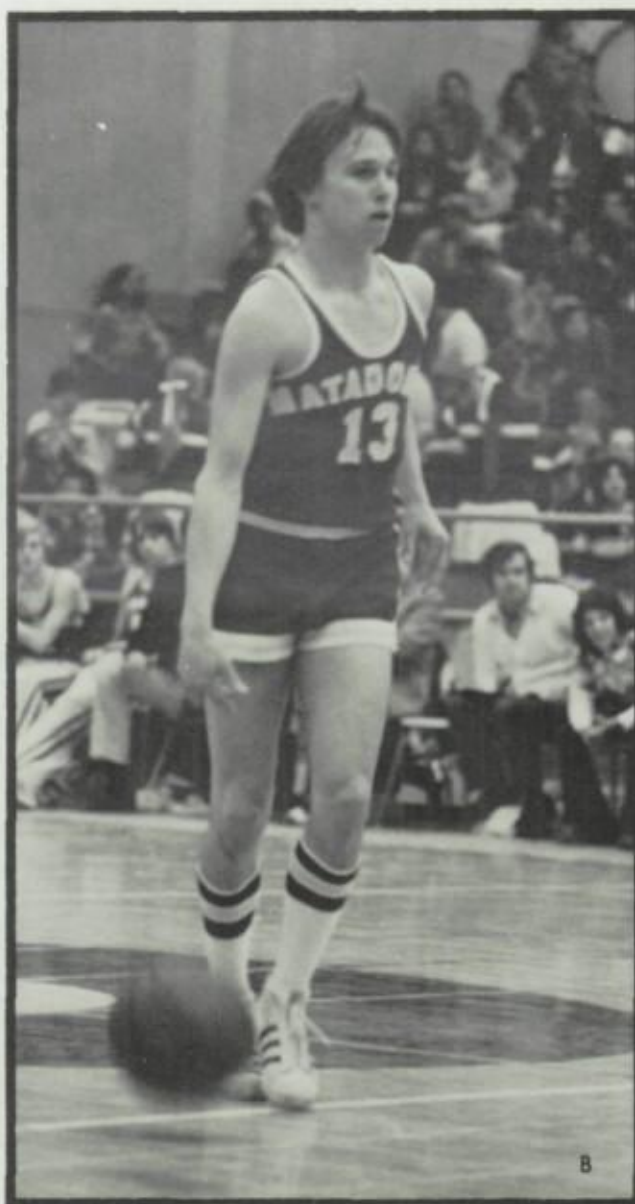

Second round play started on a high note as the blue and gold rolled over Warren 68-42. Widtfeldt once again came out on top with 23 points. After losing another battle to Downey, 65-53, L.M. came back to defeat Bellflower and Paramount with scores of 49-39 and 52-49. Leading scorer against Bellflower was Kretschmar with 15 points. Widtfeldt and Kretschmar led the scoring against Paramount with 20 and 19 points respectively. Next, the Matadores traveled to Norwalk to take on the Mighty Lancers. Of course, the Blue came out on top 43-33. Carl Nuernberger led the scoreboard with 13 points. After dropping a game to Lynwood, L.M. came back and

gave Excelsior the beating of their life, defeating them by a score of 65-50. Leading scorer was Kretschmar with 21 points.

Then the Mighty Blue went into C.I.F. competition. Going in as a second-place team, the blue went against a tough Los Altos team. L.M. fought hard through the entire game, but it wasn't enough. They were defeated, 66-49.

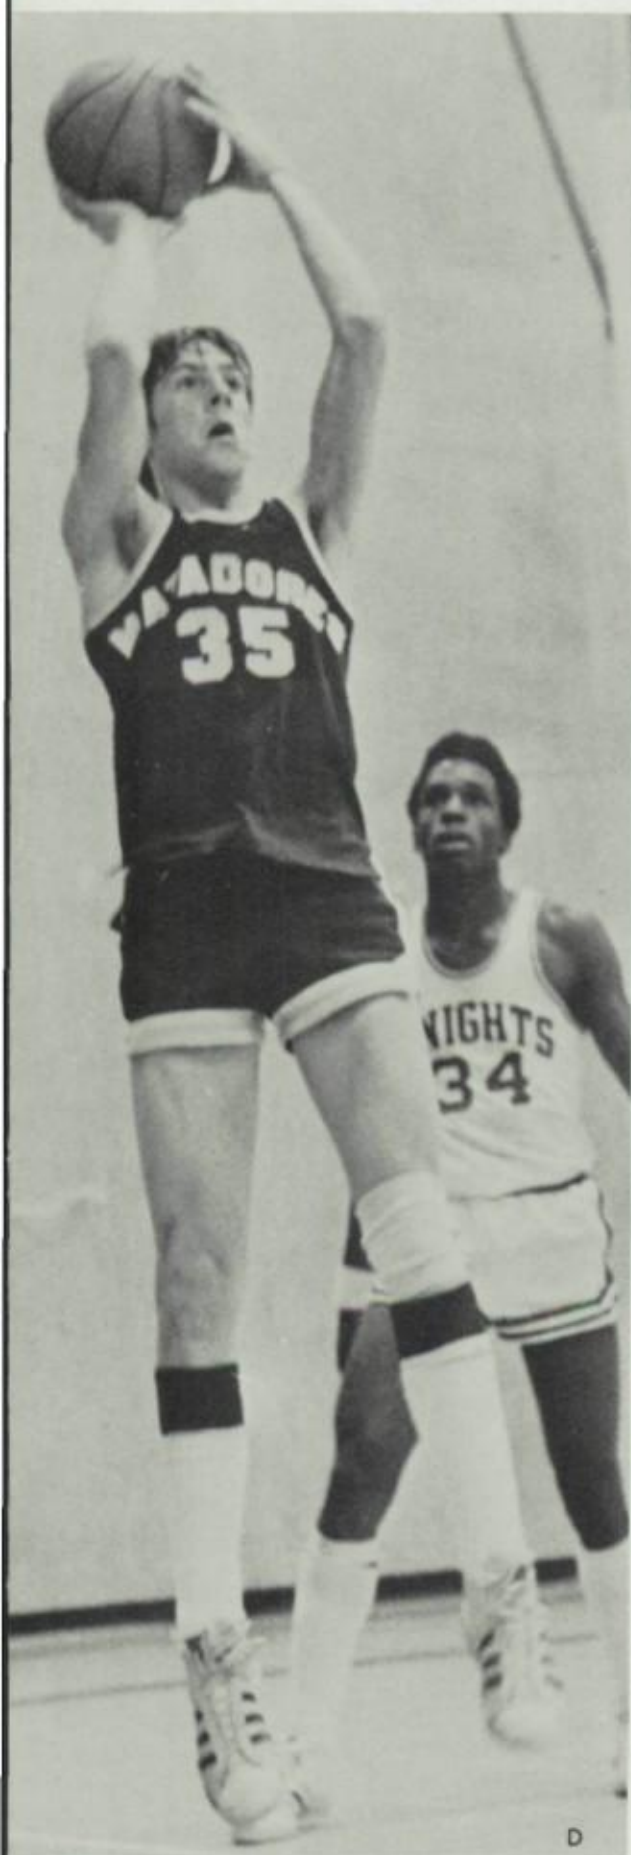

This year, two players from L.M.H.S. were chosen to be on the San Gabriel Valley All-league team. They were senior Tom Kretschmar and junior Doug Widtfeldt.

The entire team displayed skill and sportsmanship which once again proved that La Mirada is number one!

J.V.'S COME ALIVE

Coach Finnerty in his first season at La Mirada did a commendable job. The La Mirada Junior Varsity basketball team had a fairly successful pre-season with four wins and three losses.

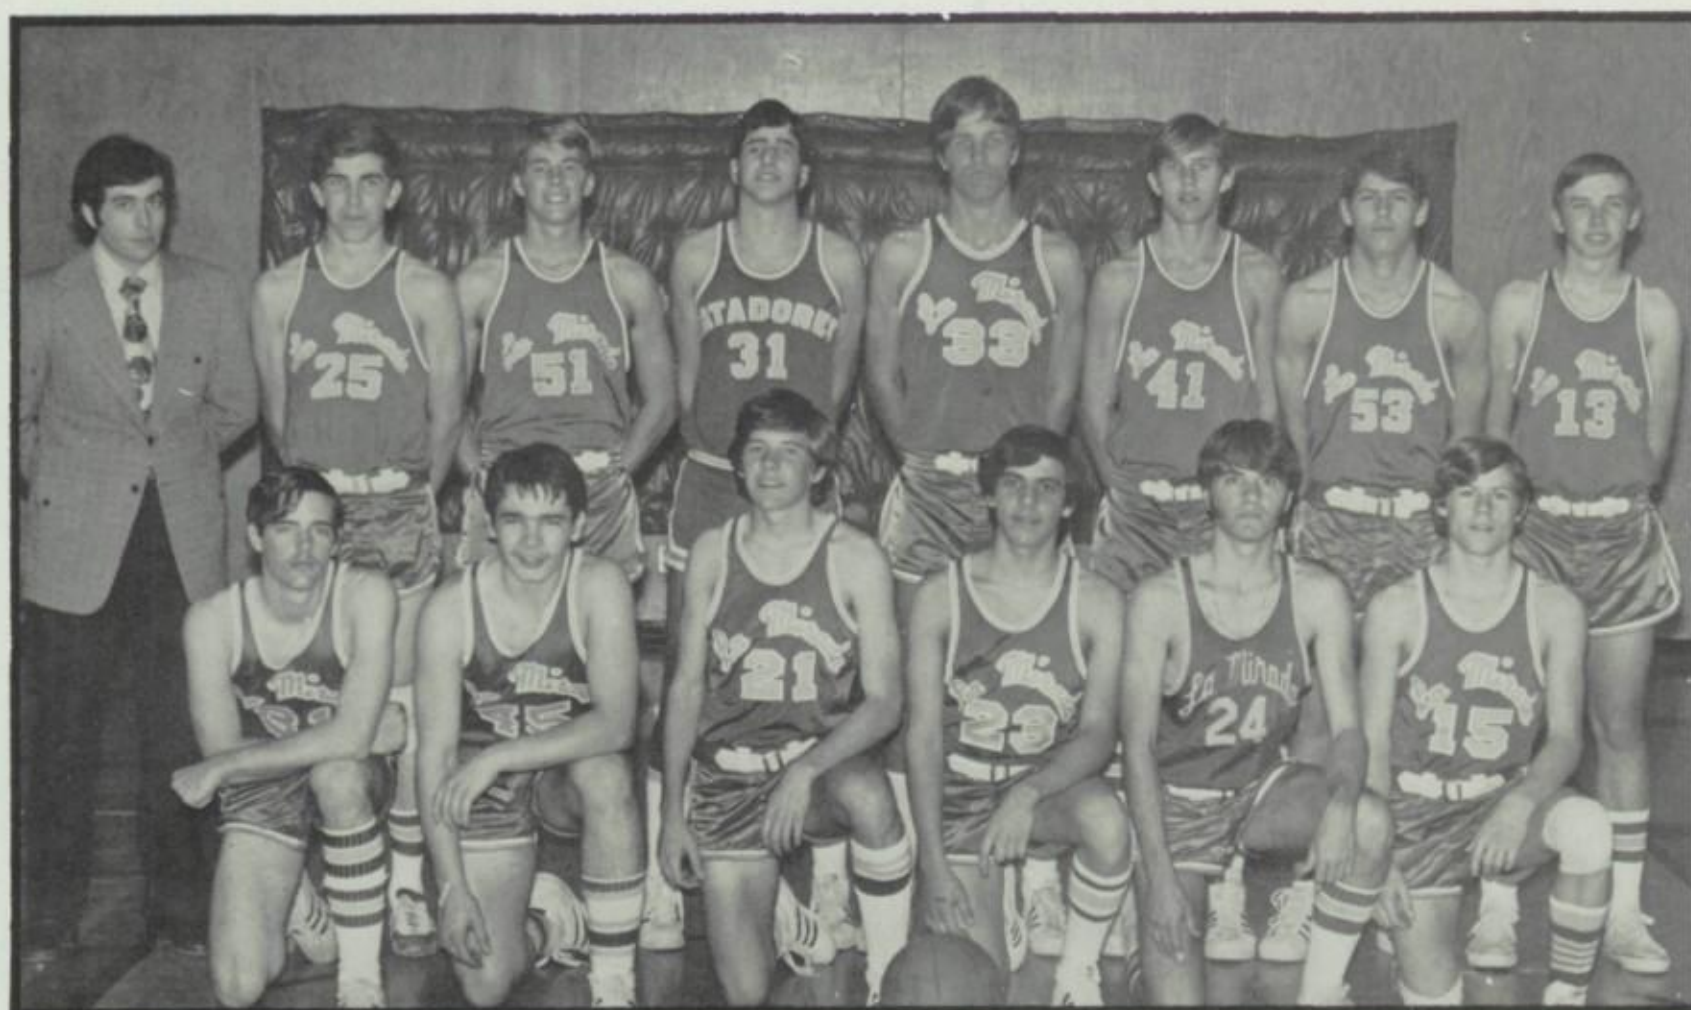

Leading the team consistently through this period were Bill Unkovich and Jeff Brewer.

They then went into the tough S.G.V.L. and due to the stiff competition got off to a poor start. The J.V.'s lost many close games through the first part of the season. In their last three games the junior varsity team put it together and convincingly defeated league opponents Norwalk, Excelsior and powerhouse Lynwood. Bill Unkovich hit clutch baskets in the last two games to pull out victories. Unkovich averaged 18 points and 9 rebounds a game. Second leading scorer was Mike Delman averaging 14 points and 11 rebounds a game.

SOPHOMORES END LIKE CHAMPS

The L.M. Sophomore team who was led by Coach Boyd, went on a winning streak at the end of the season, winning 6 of their last 9 games. The Sophomore team went out for blood, surprising all other contenders in their league. They were neither a

physical or a big team. They were an average height team with a 6'3" center, Bob Humphrey, who was flanked by Craig Cosby and Dave Wyrick. Cosby led the team in scoring from inside and outside. The guard positions were filled by brothers Jim and Jerry Hernandez, who supplied the team with superb shooting from the

outside and did a good job of getting the ball inside to the big men. On the bench were two men whom Coach Boyd substituted freely with. They were Walt Cerneke and Matt Scoville who could have easily started.

The entire Sophomore team has potential to be varsity material in the years to come.

INEXPERIENCE TAKES ITS TOLL

The La Mirada Freshman Basketball team did not enjoy success this year in terms of their won-lost record. Their success was found in their potential as they corrected their errors and learned the many skills of basketball.

Rex Lamb, one bright spot for the freshman, was well ahead of his fellow players. He led the freshman in free-throws as he sank 24 of the 45 he attempted, for an

average of 53 percent. Rex sank 38 field goals from the floor which gave him a total of 100 points. If Rex continues to improve and work hard, he will be a significant contribution to the Varsity team in the future.

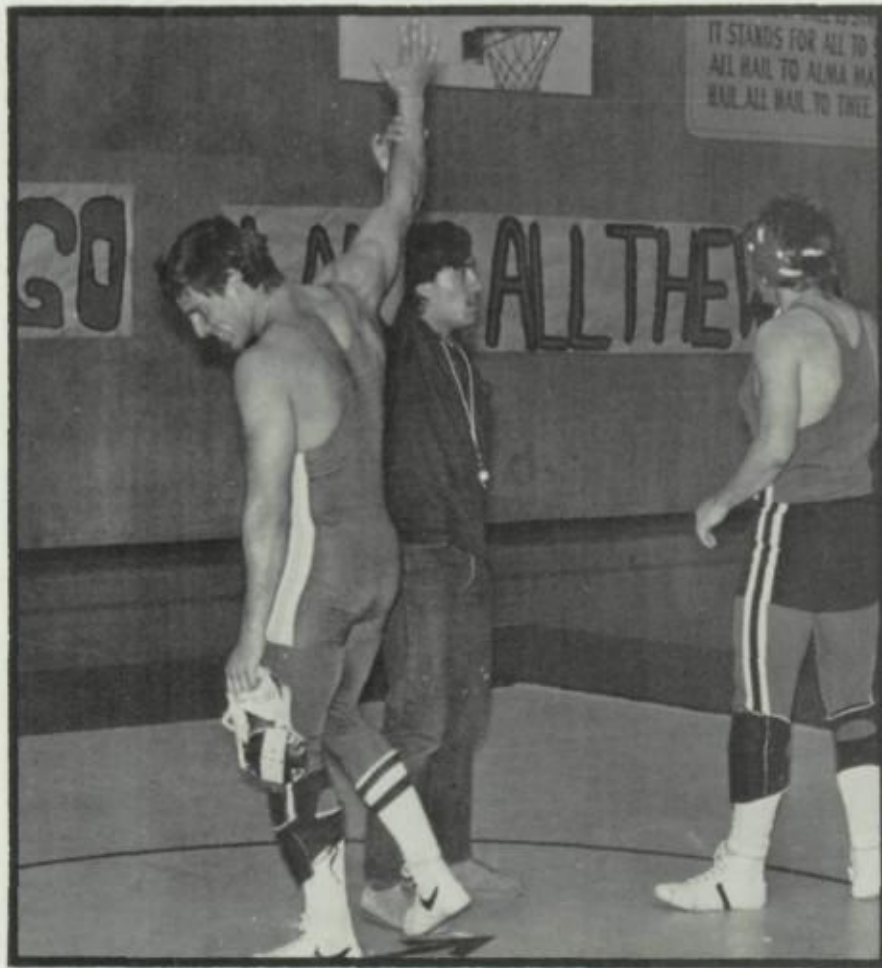

Rick Jones, another stand-out, was probably the most all-around ball player

on the team until an injury forced him out of action. He, too, is a definite Varsity prospect.

Overall, the freshman had an enjoyable season and one they'll never forget! Neither will Coach Jones!

VARSITY WRESTLING HAS ITS TROUBLES

B

La Mirada Varsity Wrestling had a year of rebuilding and some great individual performances. Their League record was 2 wins 5 losses. Tom Joice led the team in pins with 10. Jay Smith was next with 8. Tom Joice's total record was 19-5-1. Jay Smith's record for the entire season was 19-6-1. Tom Bengard and Tom Joice both placed second in league finals, and went to C.I.F. Wrestler of the week award each week went to; Jay Smith - against La Serna, Steve Leary - Warren, Randy Gerson - Bellflower, John Hall - Excelsior, Tom Joice - Paramount, Tom Bengard - Norwalk, John Hall - Downey, Dave Gomez - Lynwood. Other top wrestlers were Jim Rodriquez, Bruce Redd, and David Alexander. Coach Sims hopes for a better year next year. Jerry Olds, Richard Johnson, Mike Jacobsen, Pat Jacobsen, Greg Salcido, Kirk Hirai, Dave Calderwood, and Dennis Vickers all won Wrestler-of-the-Week. Pat Jacobsen and Richard Johnson each had four pins to lead the team. Richard Johnson also placed first in league finals. Pat Jacobsen has this year's record for "J.V. Quickpin." He pinned his opponent from Excelsior in twenty-nine seconds. Coach Tony Donvito has done a good job in teaching the boys and matching the enthusiasm that Coach Sims has shown in the past with the J.V. team.

The 1974-75 La Mirada High School Varsity track team proved to be a strong contender for this year's S.G.V.L. championship. Led by the fine coaching of Coach Valenti, the blue was victorious all season long.

In track there are three areas; short distance, long distance, and field events. Gradias and Roberts proved to be excellent this year in sprints. Kretschmar led the field in the hurdles, with Buren close behind.

In long distances, Nowak and Medina were superior. Silverman led the field events, breaking the old school record for the shot put. West was very successful in the high jump with Breckheimer and Skjelbreia leading in the pole vault. Reyes also had a great year at the long jump.

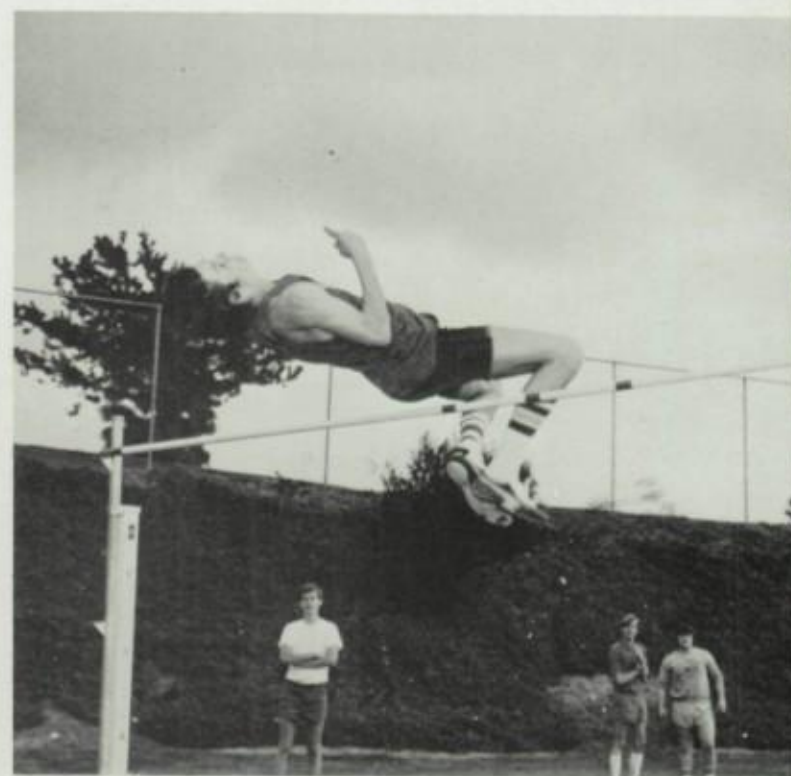

Track is a sport that involves speed, skill, endurance and determination, and L.M. had it all this year.

THE NEW GANG

OFF LIKE CHAMPIONS

The Soph.-Frosh and J.V. track teams had a semi-good season this year. Led by Coach Bill McMasters, the teams started strong against the more dominate teams of Warren and Bellflower. Soph.-Frosh had many strong points as well as did the J.V.'s. La Mirada's J.V. relay team was well disciplined and a promising team. Our J.V. relay team could be compared with some varsity relay teams. Soph.-Frosh shot putter Kelly Thomas and J.V. shot putter, Pat Jacobson were tops in their category throughout the league. J.V. high jumpers, Tim Thompson and Mark Lehner jumped a steady 5'8" against Warren. In the running event, Mike McClanahan did his part running in sprints and the final leg in the 440 relay. Overall, the Junior Varsity and Soph.-Frosh track teams got a lot of experience and had the job of winning on the way!

THE RACKET BOYS ARE BACK

Led by the fine coaching of Mr. Steve Jones, the La Mirada Varsity Tennis team proved to be a strong contender in the S.G.V.L. this year.

This year, Duane Renstrom has proved to be the number one tennis player on the blue team. His ability has earned him recognition as one of the top players in the S.G.V.L. as well. Returning lettermen this year are Mike Beykirch, Chris Gibson, Mark Evans, and Keith Nakata. Each of them is a fine player and an asset to the Matadore team. During the season these players showed superb playing ability and L.M. is proud of them.

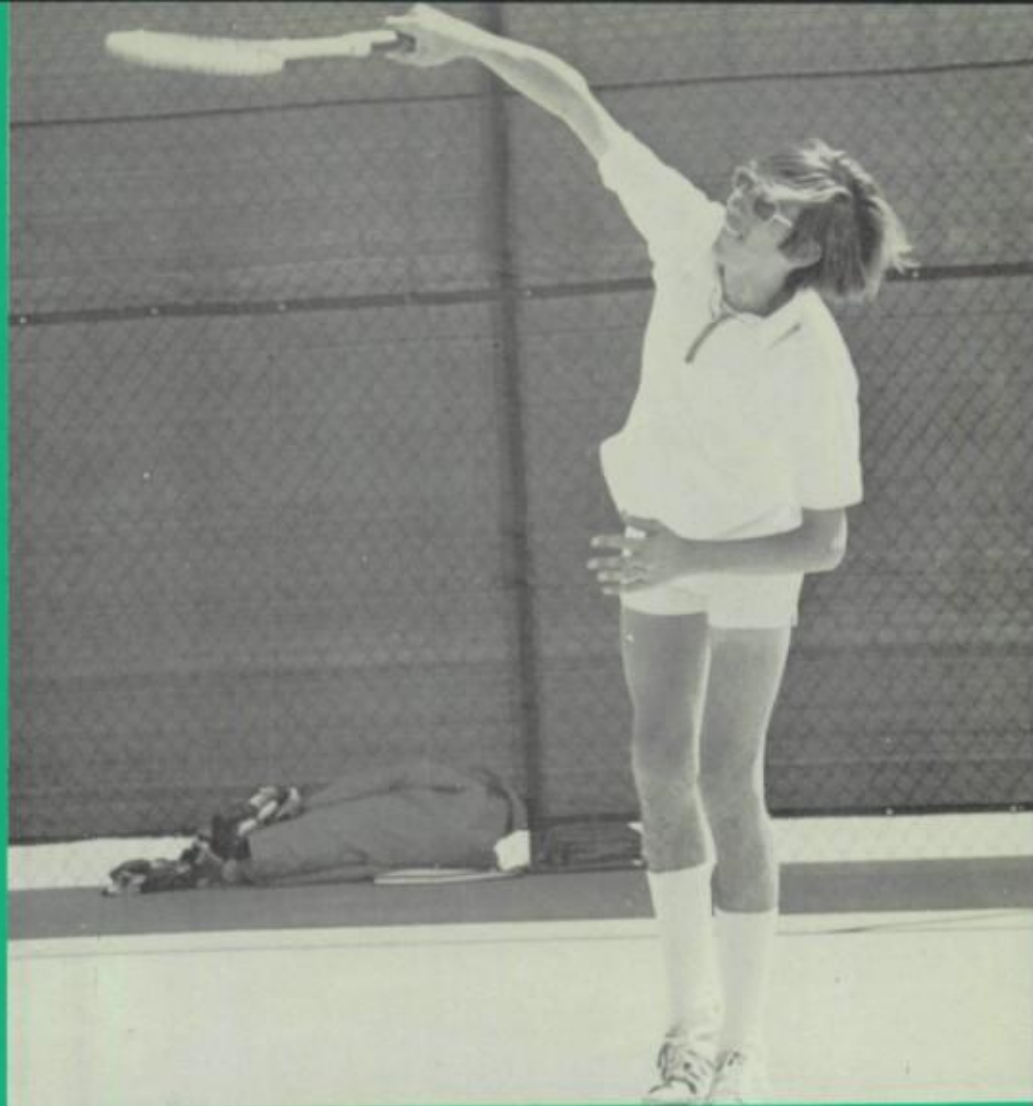

A. Matadore Duane Renstrom rears back to punch the ball back to his opponent. B. Mike Beykirch grits his teeth as he swings his racket in perfect form. C. Senior Mark Evans returns his opponent's serve, hoping to make the winning point for La Mirada. The racket boys are back!

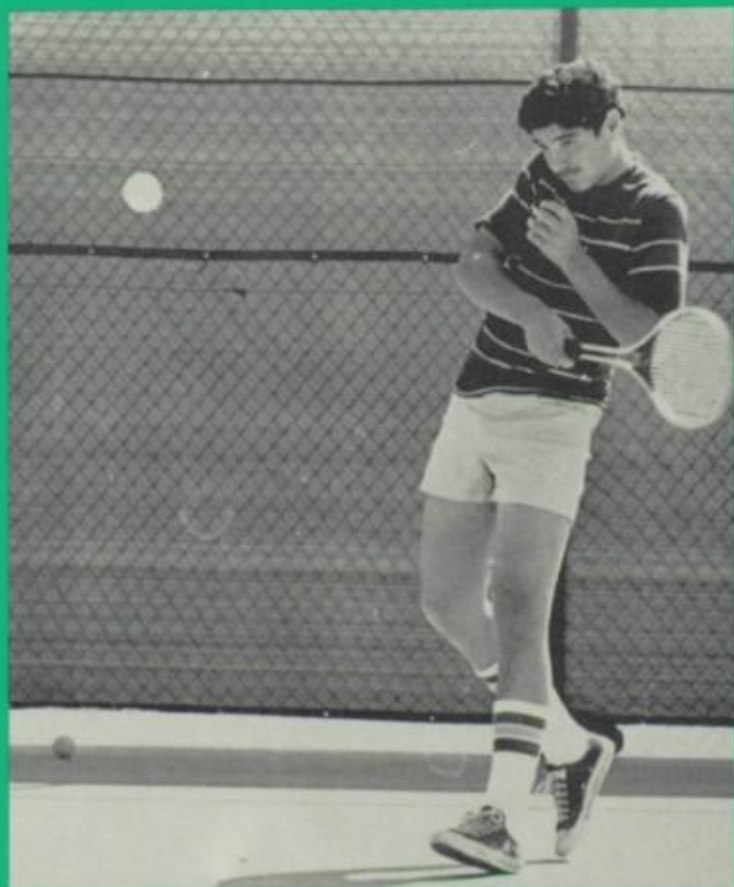

J.V. TENNIS: A BIG SUCCESS

The 1974-75 La Mirada Junior Varsity Tennis team, led by Mr. Joseph Glascock, had a very successful year. In league action the Matadores kept their opponents on their toes. Being in a tough league, the J.V. team fared well and showed the S.G.V.L. who they were.

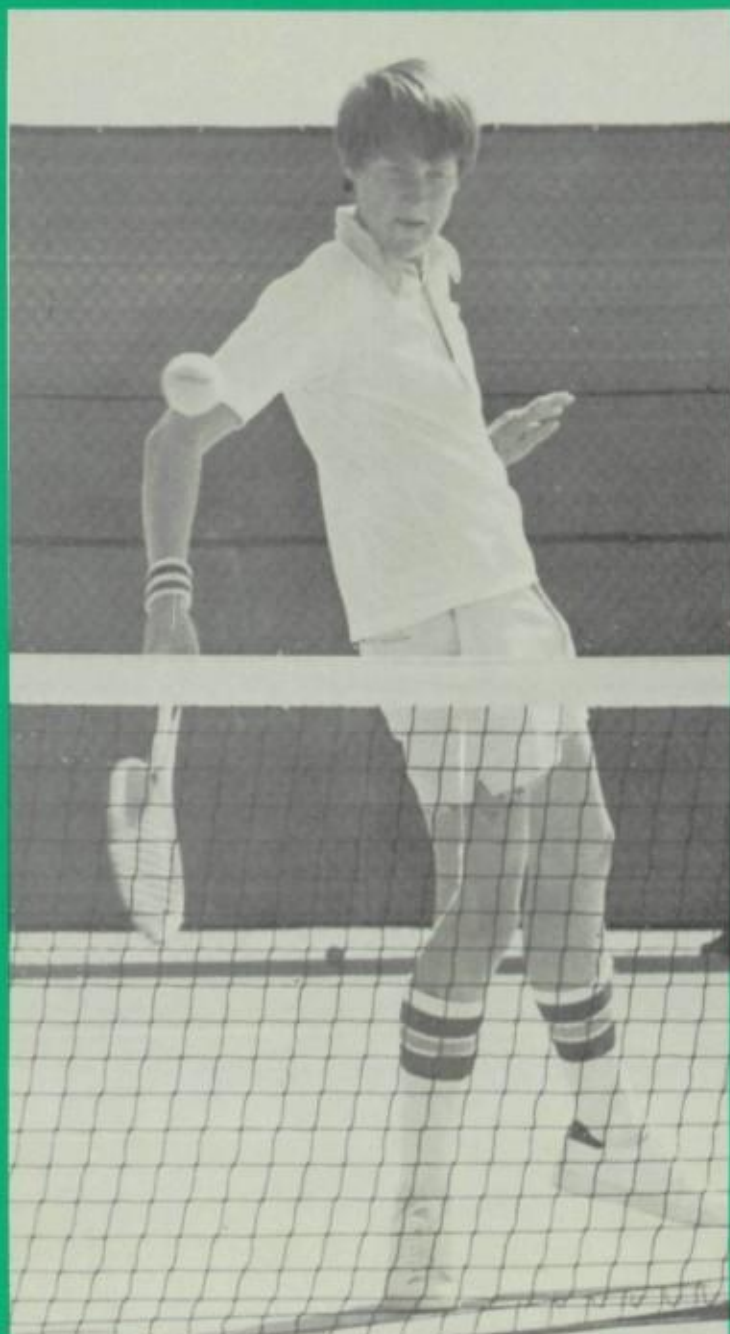

Many of the J.V. players will be returning next year to play on the Varsity team. These players along with other returning Varsity players should make La Mirada High a strong contender for the league championship next year. Their pride and determination will keep them on top.

A. Junior Varsity player John Hammergren serves the ball to start the match. He won the match of course. B. Rene Acevedo returns the ball to his unfortunate opponent. The Junior Varsity baseball team was off to a slow start with a 1-5 pre-season record. Despite their losses the J.V.'s were a hard hitting team with Jeff Smith, Dan Armstrong, Rick Douthit and Ron Payton leading the way. They also had excellent pitching in Dave Kirk, Ron Payton, Steve Needham and Don Benadido. Their opponents had a hard time scoring off the best defensive team in the league with great fielding of Jeff Smith (1B), Ken Hay (2B), Ron Payton (3B), and Steve Gerson (SS). Through the season the Junior Varsity team progressed quite well ending their 1975 baseball season with a 6-2 record.

YOUNG MATADORE TEAM HAS WHAT IT TAKES

The 1975 freshman baseball team recorded a fine pre-season record. The young Matadores will be one of the top contenders for the S.G.V.L. championship. The strongest asset appears to be the hitting attack with a team batting average of .330.

The scoring attack is well provided by an excellent offense; Paul Stephens, Steve Barrett, Jim Lineberger, Rudy Meyers, Ed Earls, Mike Loner and Gary Vaudreil. The defense is paced by John Cartelli, Jeff Lux, Ken Eubanks, Ken Payton, George Bennett, Rick Nunley, Rick Hampton, Tim Robertson, Ken Valentine and Corey Elmore.

BASKETBALL

Girls' sports have taken on a new importance at La Mirada, reflecting the country's awakening to the equality of feminine endeavors. An example of this awakening was the enthusiasm exhibited by the Matadore Girls' Basketball team, under the tutelage of Mrs. Chris Freeman. Working with relatively new and inexperienced players, the squad developed team spirit and learned to enjoy team competition against other schools.

GIRLS' LEAGUE

Here the cabinet decides where they want to have the installation for next year's girls.

Historian — Stacey Wein

As in the past, we have had a very active Girls' League at La Mirada this year. Some of the activities they sponsored this year were: car washes, Mum Sale, See's Sucker Sale, Senior Mothers Tea, Big-Little Sister Night, Faculty Breakfast, Valegrams, and the most important event; Hearts and Flowers. This year the dance was held at Disneyland Hotel and everyone attending had a great time. Girls' League is made up of several different clubs so that most any girl can find one that is interesting to her. The club is lucky to have advisors that really care and help out a lot. They are: Mrs. Weber, Mrs. Estes, and Mrs. Farber.

MATH

Advisor, Mr. John Penn

1974-75 amounted to a very successful year for the La Mirada High School Math Club. The year was highlighted by the Computer Dance. The Computer Dance was well attended and enjoyed by all. The club made its annual trip to Magic Mountain where the club's awards banquet was held in April.

Mr. Leo Haggerty

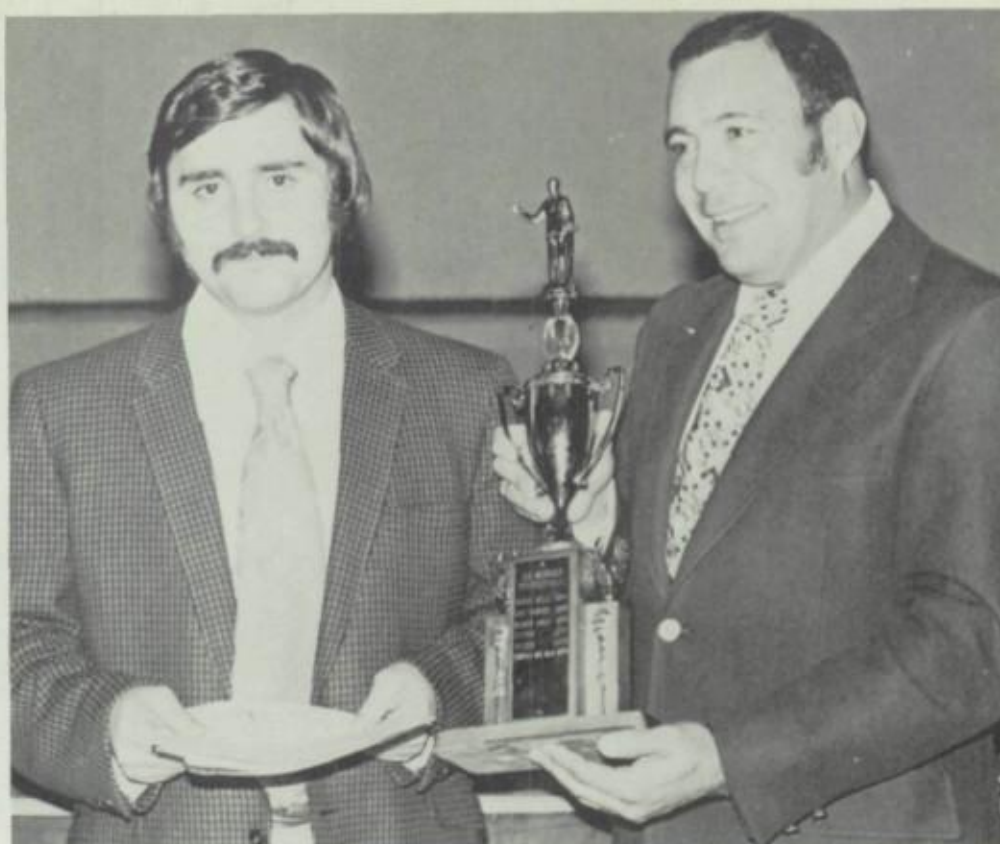

Pres. Mark Anderten

V A R S I T Y

The Varsity Club is one of the oldest clubs in the history of La Mirada High School. 14 years ago the club was started by Mr. Leo Haggerty when he first came to coach. The purpose of the club is to set examples as good leaders and athletes to students at La Mirada. This year's president is Mark Anderten; Members shown in the picture above are: Mark Anderten, Jim Gross, Bill Bald, Jim Erickson, Grant Kirk, Tom Woodward, Bruce Evans, Ed DePriest, John Hall, Dan Chivara, Craig Travis, Rande Scott, Mark Rodriguez, Jerry Backer, Greg West, Art Valero, Rick Endres, Tom Kretschmar, Rudy Moraga, Terry Haggerty, Terry Watkins, Mario Martinez, and Mike Gingerich.

SPEECH

Mr. Bruce Gevirtzman and La Mirada Principal Tony Ortega present trophy to the winner of the La Mirada Tourney.

The National Forensic League had a year of great achievements. The squad works very hard at both debate and individual events. They travel throughout schools in California and their talents are challenged by competitive speakers who are the best in the state. La Mirada High School had a very successful speech squad coached by Mr. Bruce Gevirtzman.

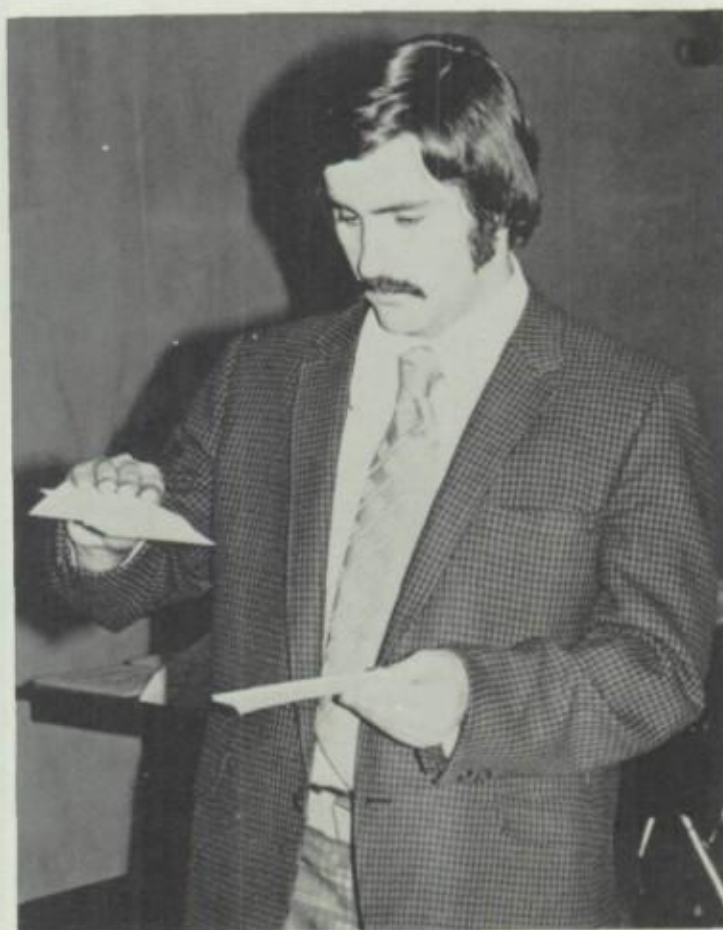

Top Left, L to R: Brad Bills, Sergeant at Arms; Marlene Pontrelli, Secretary; Shelly Lane, Activities Coordinator; Carrie Rockoff, Treasurer; Wayne Neill, Vice President; Not shown: President, Gila Tint.

Trophies are one of the main goals on the speech squad. Each individual contributes his efforts toward winning these during the year.

Carrie Rockoff receives an award at the La Mirada Speech Tournament from Marlene Pontrelli and princial Tony Ortega.

Mr. Bruce Gevirtzman adds to the suspense as he reads the judges' decisions at a Speech Tournament.

CHOIR

Anne Amato sings a solo.

You can only be successful at the things you work hardest at. Members of the choir have shown that true devotion seems to be one of the main factors in their success.

Under the direction of Mrs. Julie Masner, the choir did outstandingly well this year. Each individual contributes his form of talent through singing. Working together, the choir can put on fantastic performances.

The officers this year: President Laura Campbell; Vice President, Anne Amato; Secretaries, Karen Caliva and Diana Harris; Publicity Chairman, Cynthia Boudreau; Historian, Mari Berger; and Librarians Gloria Neidlinger and Linda Grant.

The El Toro is the school newspaper produced by students and circulated throughout the school. Mr. Ed Hengler is the advisor this year. Reporters on the staff try to report on stories that are of interest to the members of the school. Events that take place during the year can always be read about in the paper. If any student has an opinion he wants to express, he may turn it in to the paper and it may be printed in the Editorial section of the paper. The staff has to work hard to have interesting stories and meet deadlines. Before being on the staff the person usually is in the 3-4 J class; this class teaches the skills necessary to put out an outstanding newspaper.

Advisor — Mr. Irving Marks

This year's La Capa is under the direction of a new teacher, Mr. Irving Marks. He has had thirteen years previous experience as the advisor at Excelsior High School. Juniors and Seniors make up the 3rd and 4th period classes that work on the yearbook. Each section has a separate editor and people working with them on the section. Pictures have to be taken and copy written for each page. Members of the staff try to maintain a well-rounded representation of the student body in each section. The key to getting your picture in the yearbook is to become involved.

Editor — Debby Ladedo

Debby, Lynn and Lynda seem to be in deep concentration in the picture at left. Above, Mr. Bill Milne, Publishers Representative, and Paul work on a layout. At right, Keith Nakata, Photography Editor.

BAND

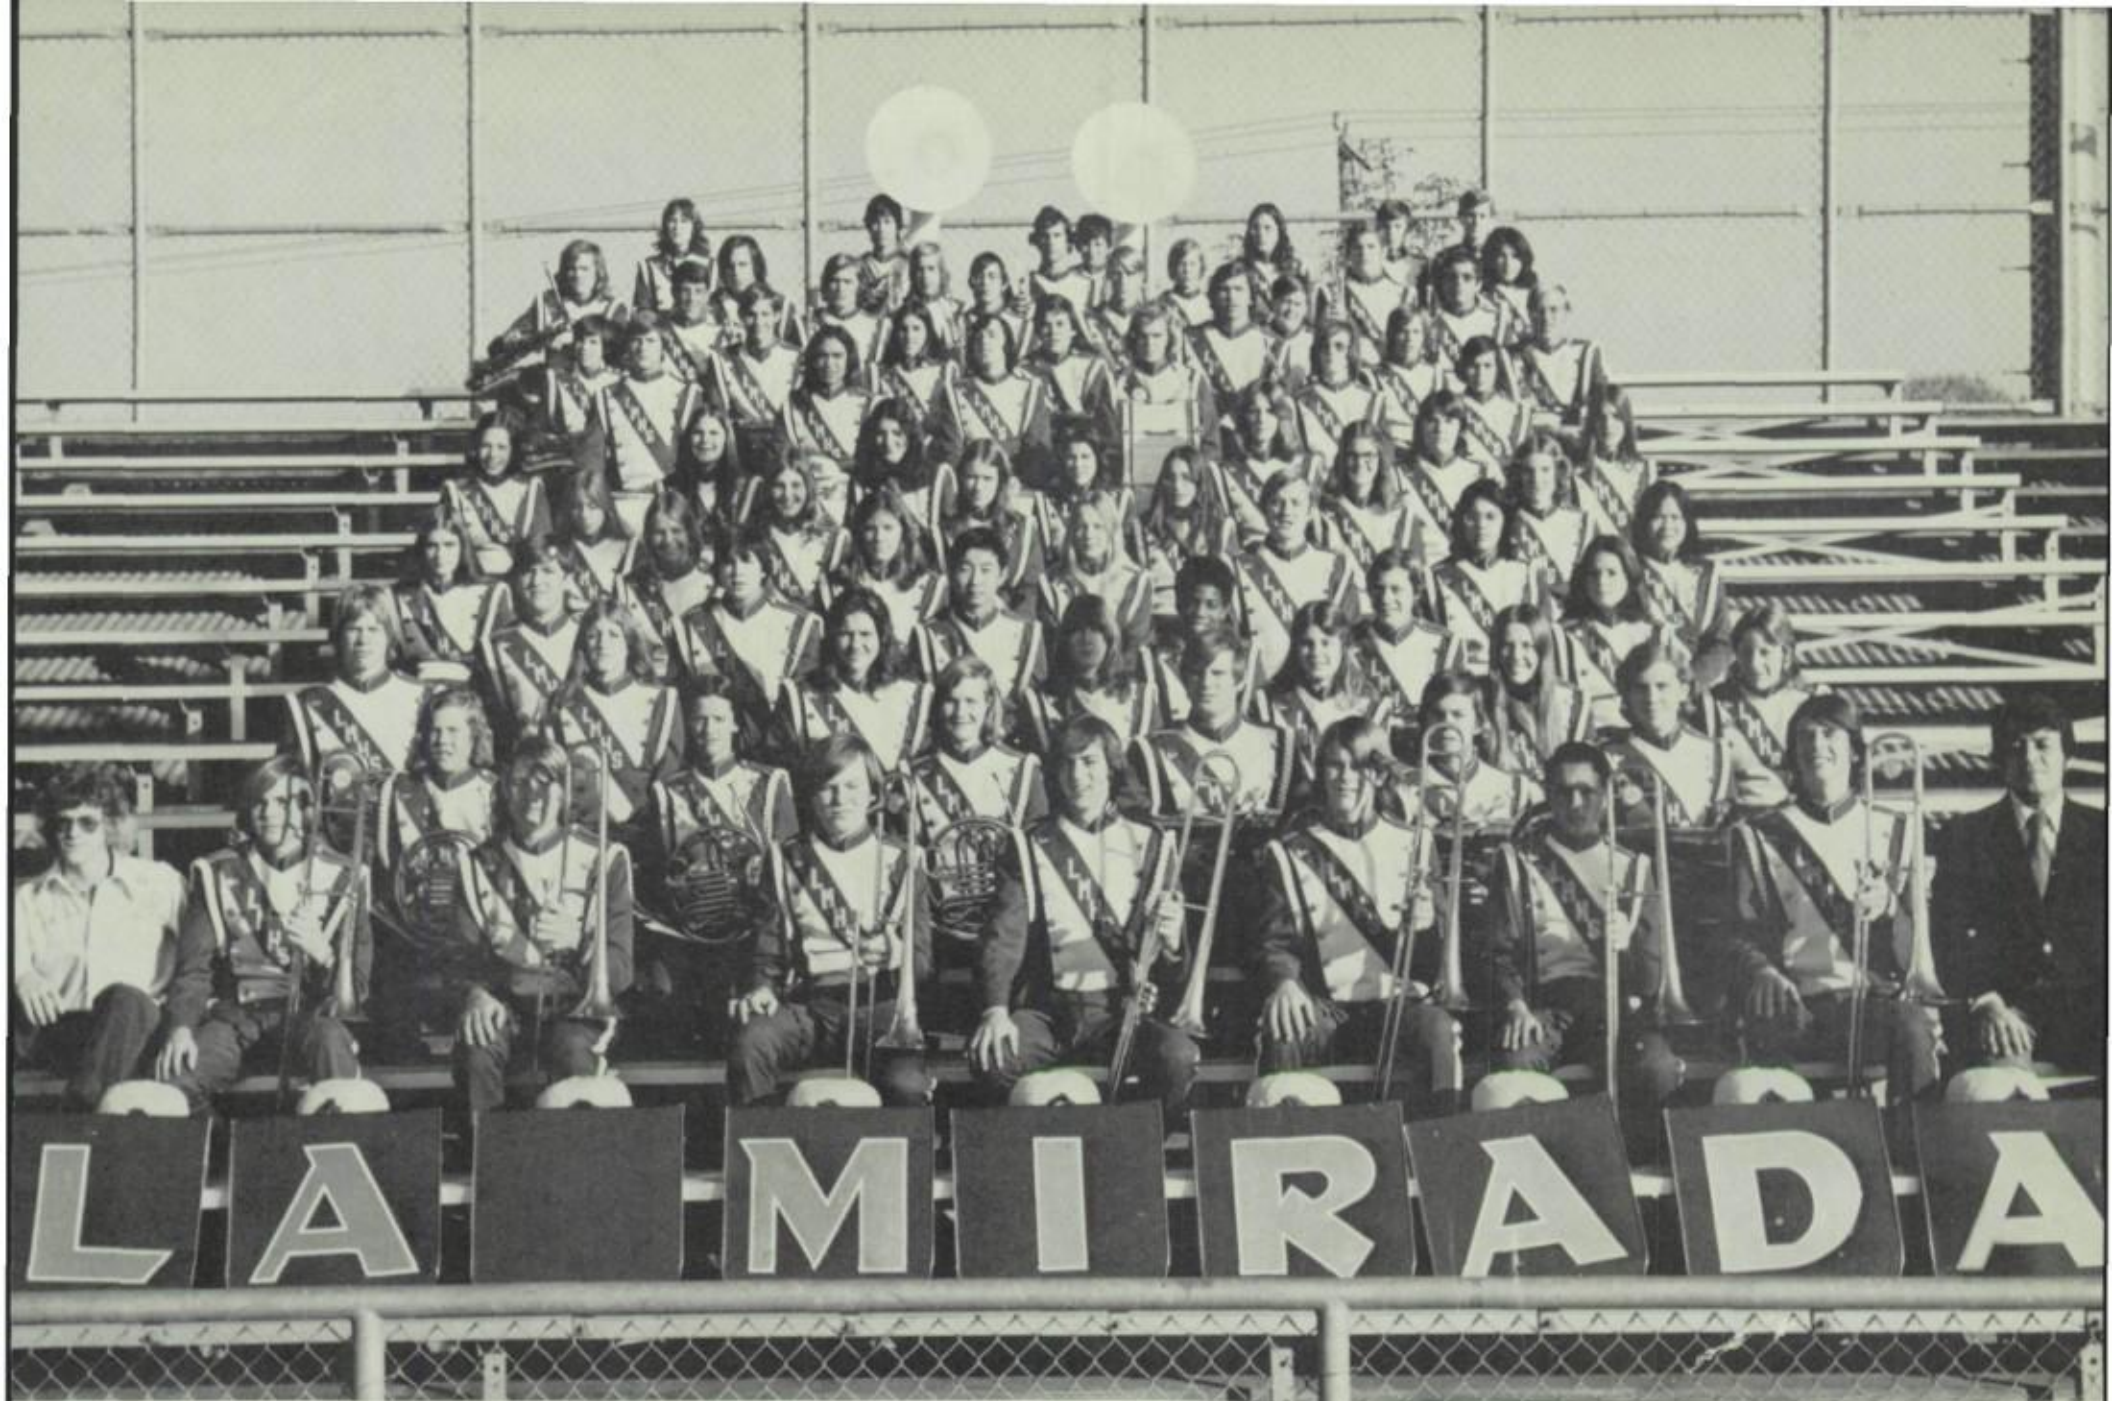

The La Mirada Band is one of the most active groups on campus. During the fall, they are busy with exceptionally good half-times and participating at the parades. This year they competed in the Anaheim, Chino, and Hawthorne parades. Also keeping the band busy during the fall were Pep rallies and the Christmas Concert. During the spring the band plays at basketball games and concerts — one of them being the annual Spring Concert. The band performed at The Los Angeles County Fair, also. Big plans for the band this summer include a trip to Hawaii. To earn money to go there, they had a car wash, candy sale, volleyball marathon, and sold Christmas door mats and ghost insurance. The most important thing is that our Band had one of the best directors you could possibly have, Mr. Rex Bonebrake.

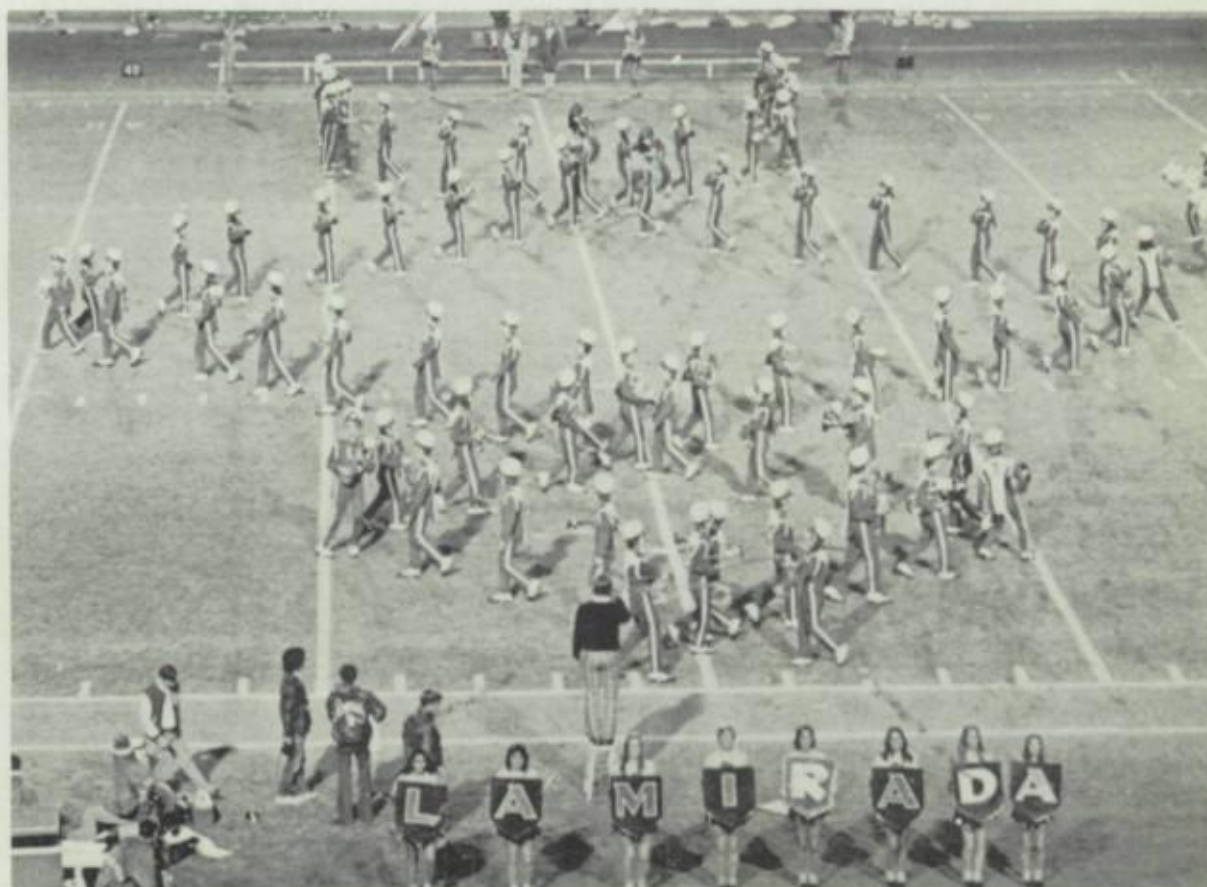

Drum Major Tony Morris keep busy at a football game.

Keeping on the correct foot is just one of the many things the band members have to do when marching in a parade. It looks like they're doing a pretty good job.

SC POLITICAL ENCE

The Political Science Club enjoyed its second year of existence as a campus club by devoting its efforts to various social and political activities and functions.

The Poli. Sci. Club was honored by the presence of Congressman Chet Holifield who gave his views on governmental theories. All in all the club has been very successful.

The F.B.L.A., otherwise known as Future Business Leaders of America, helps put female students at La Mirada High School who are interested in jobs that are business orientated. The club was started 13 years ago by Mr. Lowell Holiday. He got the idea from Excelsior High School. He felt that it was a worthwhile club and would be worth starting at La Mirada High School. The club is extremely fortunate to have Mrs. Kathryn McBeath as their enthusiastic advisor.

EXCHANGE CLUB

L.M.H.S. Student Exchange Club has been very active club on campus for many years; this year was no exception! Under the leadership of President David Roberts, the club participated in many activities and fund-raising event throughout the year. S.E.C. has traditionally sold booster ribbons during football season, which has proven to be a successful way to raise money for the fund which sponsored exchange students. Last summer the club sent four students from L.M.H.S. overseas: Jeff Redd to Sweden, Tony Padilla to Chile, Karen Caliva to Germany, and Barbara Buck to Finland. This summer David Roberts, Jeanne Boyle, Patricia Foster, and Brenda Buck will be representing the school through the Youth for Understanding Program. S.E.C. not only sends Americans abroad but assists quite a few in locating homes in La Mirada for students from overseas.

INSIDE OUT

Frank Van Vliet, Alice Carmichael, Steve Hulbert, Diane Harris.

Poems, short stories, compositions, and much more is what fills the Inside-Out literary magazine. The purpose of the magazine is to allow the La Mirada High School students to express their talents, feelings, creative abilities for others to enjoy.

The Inside-Out Staff spends much time and effort towards composing, collecting and organizing this magazine. Advisor, Mrs. Eleanor Jackson, puts forth her efforts also, by contributing much of herself, and talent to this interesting magazine.

Melissa Dodd, Editor Advisor; Randy Gerson, Staff Member.

Tom Smith, Kathy Bauman, Diane Harris, Melissa Dodd, Cathy Stadler, Kathy Durston, Janis Gillespie, Ann Webster, Tammy Pease, Shelly Lane, Scott Failing, Larry Zucker.

A.S.B. Officers: Tom Kretschmar, Sergeant at Arms; Tim Neil, Publicity; Barbara Buck, Activities Director; Robert Anderson, Vice-President; Joe Brazan, President; Jody Howard, Secretary; Wayne Neill, Club Co-ordinator; Rita Campo, Pep Commissioner; Raul Rocha, Treasurer.

Crazy George impressed many of the students with his great moves. In the picture to the above right, the Marine Rock Band goes to it.

STUDENT COUNCIL

Student Council has been extremely busy this year proving the student body with numerous things to do. One great improvement of past years was the number of dances. Several dances were held after football and basketball games. Students seem to enjoy dances very much. Also, another pleasureable activity planned by Student Council was the entertainment by different bands at lunch. Assemblies this year were of a great variety. Crazy George the basketball handler, a fantastic band called Image, the Marine Rock Band, a trampolinist and hypnotist were examples of our entertainment. Spirit Week, Homecoming, Freshman Orientation, and the Powder football game were just a few examples of the things Student Council worked to accomplish.

LA MIRADA, CALIFORNIA 90638, U.S.A.

The Radio Club, headed by Tracey Coats, had many outstanding activities during the year. One special event was commemorating patriotism in America. The club acquired a special call, WA6SKZ. Members of the club talked to more than a thousand people throughout the world via amateur radio during the school year.

ARCHEOLOGY

The past year, the Archeology Club had a busy calendar. They went on many successful fossil hunts. Under the guidance of Mr. Bob Stinson and Pres. Steve Briggs, the club was able to hold a successful artifact display.

THESPIANS

The aim of Thespians club was to get drama people more interested in the theatre. In existence for 11 years, Mr. Carl Castiglione is the new advisor.

SURFING

The surfing club this year is one of the newest. They started by simply meeting places in the summer and decided to raise money. Mr. Robert Stinson is the advisor, and enjoys the big waves.

PHOTOGRAPHY

The main purpose for Photography club is to allow students on campus extra time in the photo field. They use the schools' facilities so students may get more into photography in depth.

SENATE

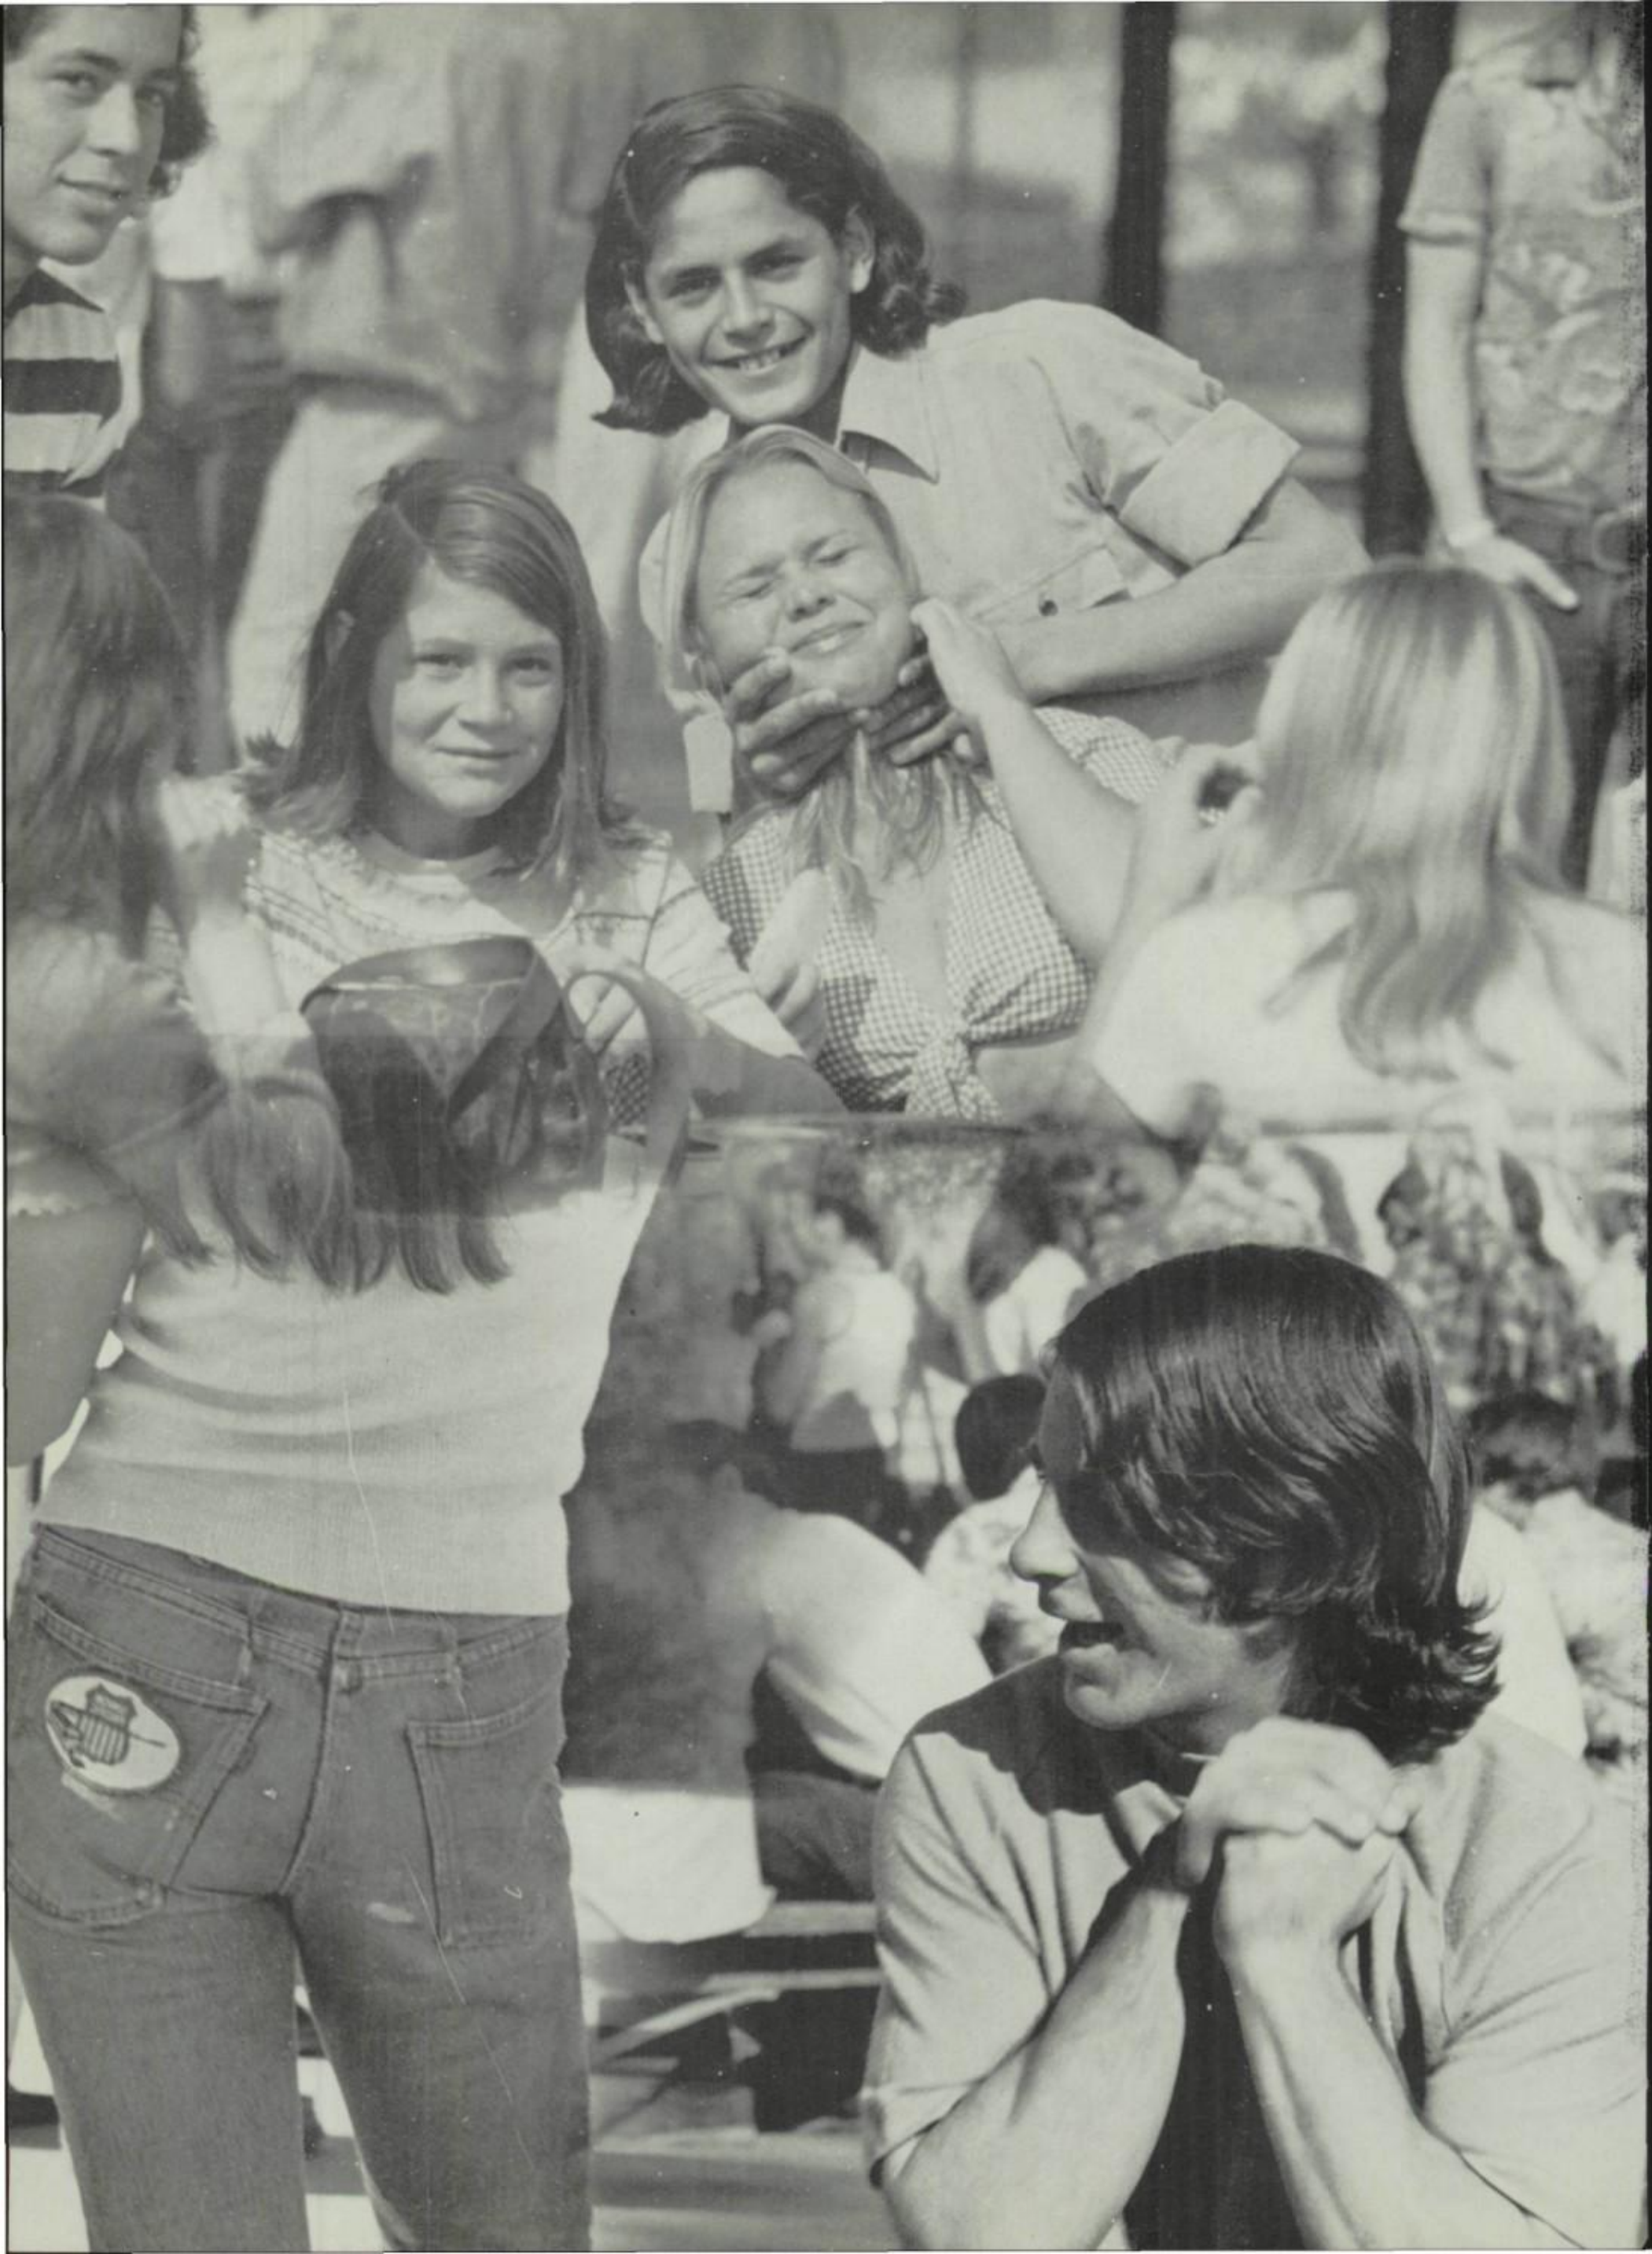

The Senate, throughout the year held meetings for the students to state their feelings or suggestions. The student senate would vote to make changes and make things happen.

Freshman Class President Tom Espinoza makes a point at a senate meeting.

Rob Anderson presides with a genial tone and atmosphere.

CLASSES

SENIORS REMEMBER OLD TIMES AND GOOD FRIENDS

Finally coming to our journey's end, the class of 1975 remembers all their joyful times in high school all the way back to when we were freshmen and La Mirada High looked so big and when graduating seemed to be so far away.

Our first activity, the homecoming float, involved much excitement when we won a well-deserved first place. A big part was going to our first football game and taking part in cheering our team to victory.

Our Sophomore year followed when enthusiasm was high and happiness was winning the spirit jug at many pep rallies. This was the time when we were all proud to be students at LMHS and getting our drivers license seemed to be all that mattered.

Then came the busy year and we were juniors with hopeful ideas which led to a successful and heartwarming Prom.

Finally the time came that we had looked forward to for so long, our Senior year. Although the year passed too quickly, we still found time to enjoy all the things which made four long years worthwhile. From homecoming all the way to Senior Ditch Day, and the All-Night Party when we were, at last . . . Graduated!

But the most important were all the memories shared by close friends. With a tear of joy at hand, the Senior Class of 1975 bid their last good-bye to their Alma Mater — LMHS.

Mark Belzowski

The Juniors were led through a great year with Brenda Buck as the president. Brenda and her cabinet, vice president Mark Belzowski, treasurer Patti Robinson, secretary Kathy Bowman, historian Karen Sharp, social chairman Jeanette Turgeon and sergeant-at-arms Mark Courtney all worked hard planning many activities. They planned a great prom, had many activities nights and won second place on their Homecoming float. The Spirit of '76" was very grateful to have Mr. Sims, Mr. Jones, and Mrs. Edwards as their advisors.

"77" Proud and Spirited. Jim Bassett, the sophomore president, got the class off to a good start. They were busy during Homecoming Week with their first-place float and the dance they sponsored, which was a big success. The sophomores worked well together on activities to benefit the class. The other officers gave much support: Donna Hotra, vice president; Mario Pompa, treasurer; Sandy Mushrush, secretary; Tami King, historian; Lori Wilson, social chairman; Sue Schneider, sergeant-at-arms.

With over 400 Freshmen, the class of '78' proved to be great, and enjoyed a productive year headed by President Tom Espinoza. They started out with several activities such as a bake sale which helped boost the class treasury. Homecoming week was enjoyed by all and at the Pep-Rallys the Frosh showed a lot of spirit and enthusiasm! To start their year along its way, the freshmen elected Tom Espinoza as president; Patty Cramer as vice president; Tracey Young as treasurer; Lisa Bassett as secretary; Lori Jarrett as historian; Patty Brazan as social chairman; and Val Howard as sergeant-at-arms.

Principal

Anthony Ortega, "I have found the students of L.M.H.S. very cooperative and enthusiastic in trying to make their school a great place to be. The majority of students seem to be very friendly, outgoing and congenial. I enjoy reading, theatrical productions, generally Broadway musicals, water skiing, and golf."

Earl Eberhart, "I am very impressed with students at L.M.H.S. They seem to be truly interested in their school and community. I enjoy fishing, bridge, and woodworking."

Assistant Principals

James Gwyn, "Going to high school is like driving down a one way street. You move rapidly through and can not return to correct your mistakes. Make the most of your journey through this school."

Thelma Rolph grew up on a ranch in Oregon. She has traveled all over Alaska, U.S., Canada, Mexico, Europe, and Hawaii. Her hobbies are cooking, golf, and dancing. Mrs. Rolph says, "L.M. students are the greatest."

COUNSELORS

Sophomore Counselor: Joseph Korzen enjoys fishing, camping, and yardwork. He has traveled throughout the U.S. He said, "L.M. students are very interesting and enjoyable to work with."

Senior Counselor: Richard Laing, "L.M. students are the greatest kids I've ever known!" He likes music and the Hi-Fi.

Junior Counselor: Mr. Ted Cheney, "I have been particularly impressed with the friendly attitude that exists on the La Mirada campus. Being new, I am grateful for the friendly spirit of the students."

Freshman Counselor: Mr. Dennis Emken thinks that L.M. students are the best group of people he has been associated with." His hobbies are hunting, motorcycle touring, and camping.

Miss Lucy Ito, as we know, is a freshman counselor. She thinks that L.M. students are, "Very nice. However many do not take full advantage of the educational possibilities."

MATHEMATICS

Mr. Joseph Glasscock: a fine and enjoyable teacher is thought of as "a nice guy" on campus. We are glad he stayed with us another year.

Mr. Sherrill Brown: has a great sense of humor which is noted by all of his students. He has been with the L.M. faculty staff for fourteen years.

Mr. Ray Norton: a new staff member at La Mirada, is a math teacher. He started teaching at La Mirada and is now back with us.

PERFECTION WITH A CAUSE

Most yearbooks have a large percentage of photography which has been taken by professional photographers. Though frequently superior technically these yearbooks often lack spontaneity and warmth.

This year's La Capa is essentially the work of students. It is a matter of pride with the La Capa staff that what is presented here is their work.

The excellent photography, combining the technical excellence of the professionals with the warmth and spontaneity of the students, is largely the work of Keith Nakata and Jim Skjelbreia. But excellence requires sacrifice — long hours in the darkroom. Weekends were devoted to developing and printing. They were perfectionists, never accepting the second-rate or imperfect print. Their efforts have already won prizes, even before the 1975 edition of the La Capa was off the press; and never has the quality of pictures in a La Mirada yearbook reached such excellence.

For their dedication to excellence and devotion to duty, we of the La Capa staff on behalf of the students of La Mirada High School salute Keith Nakata and Jim Skjelbreia.

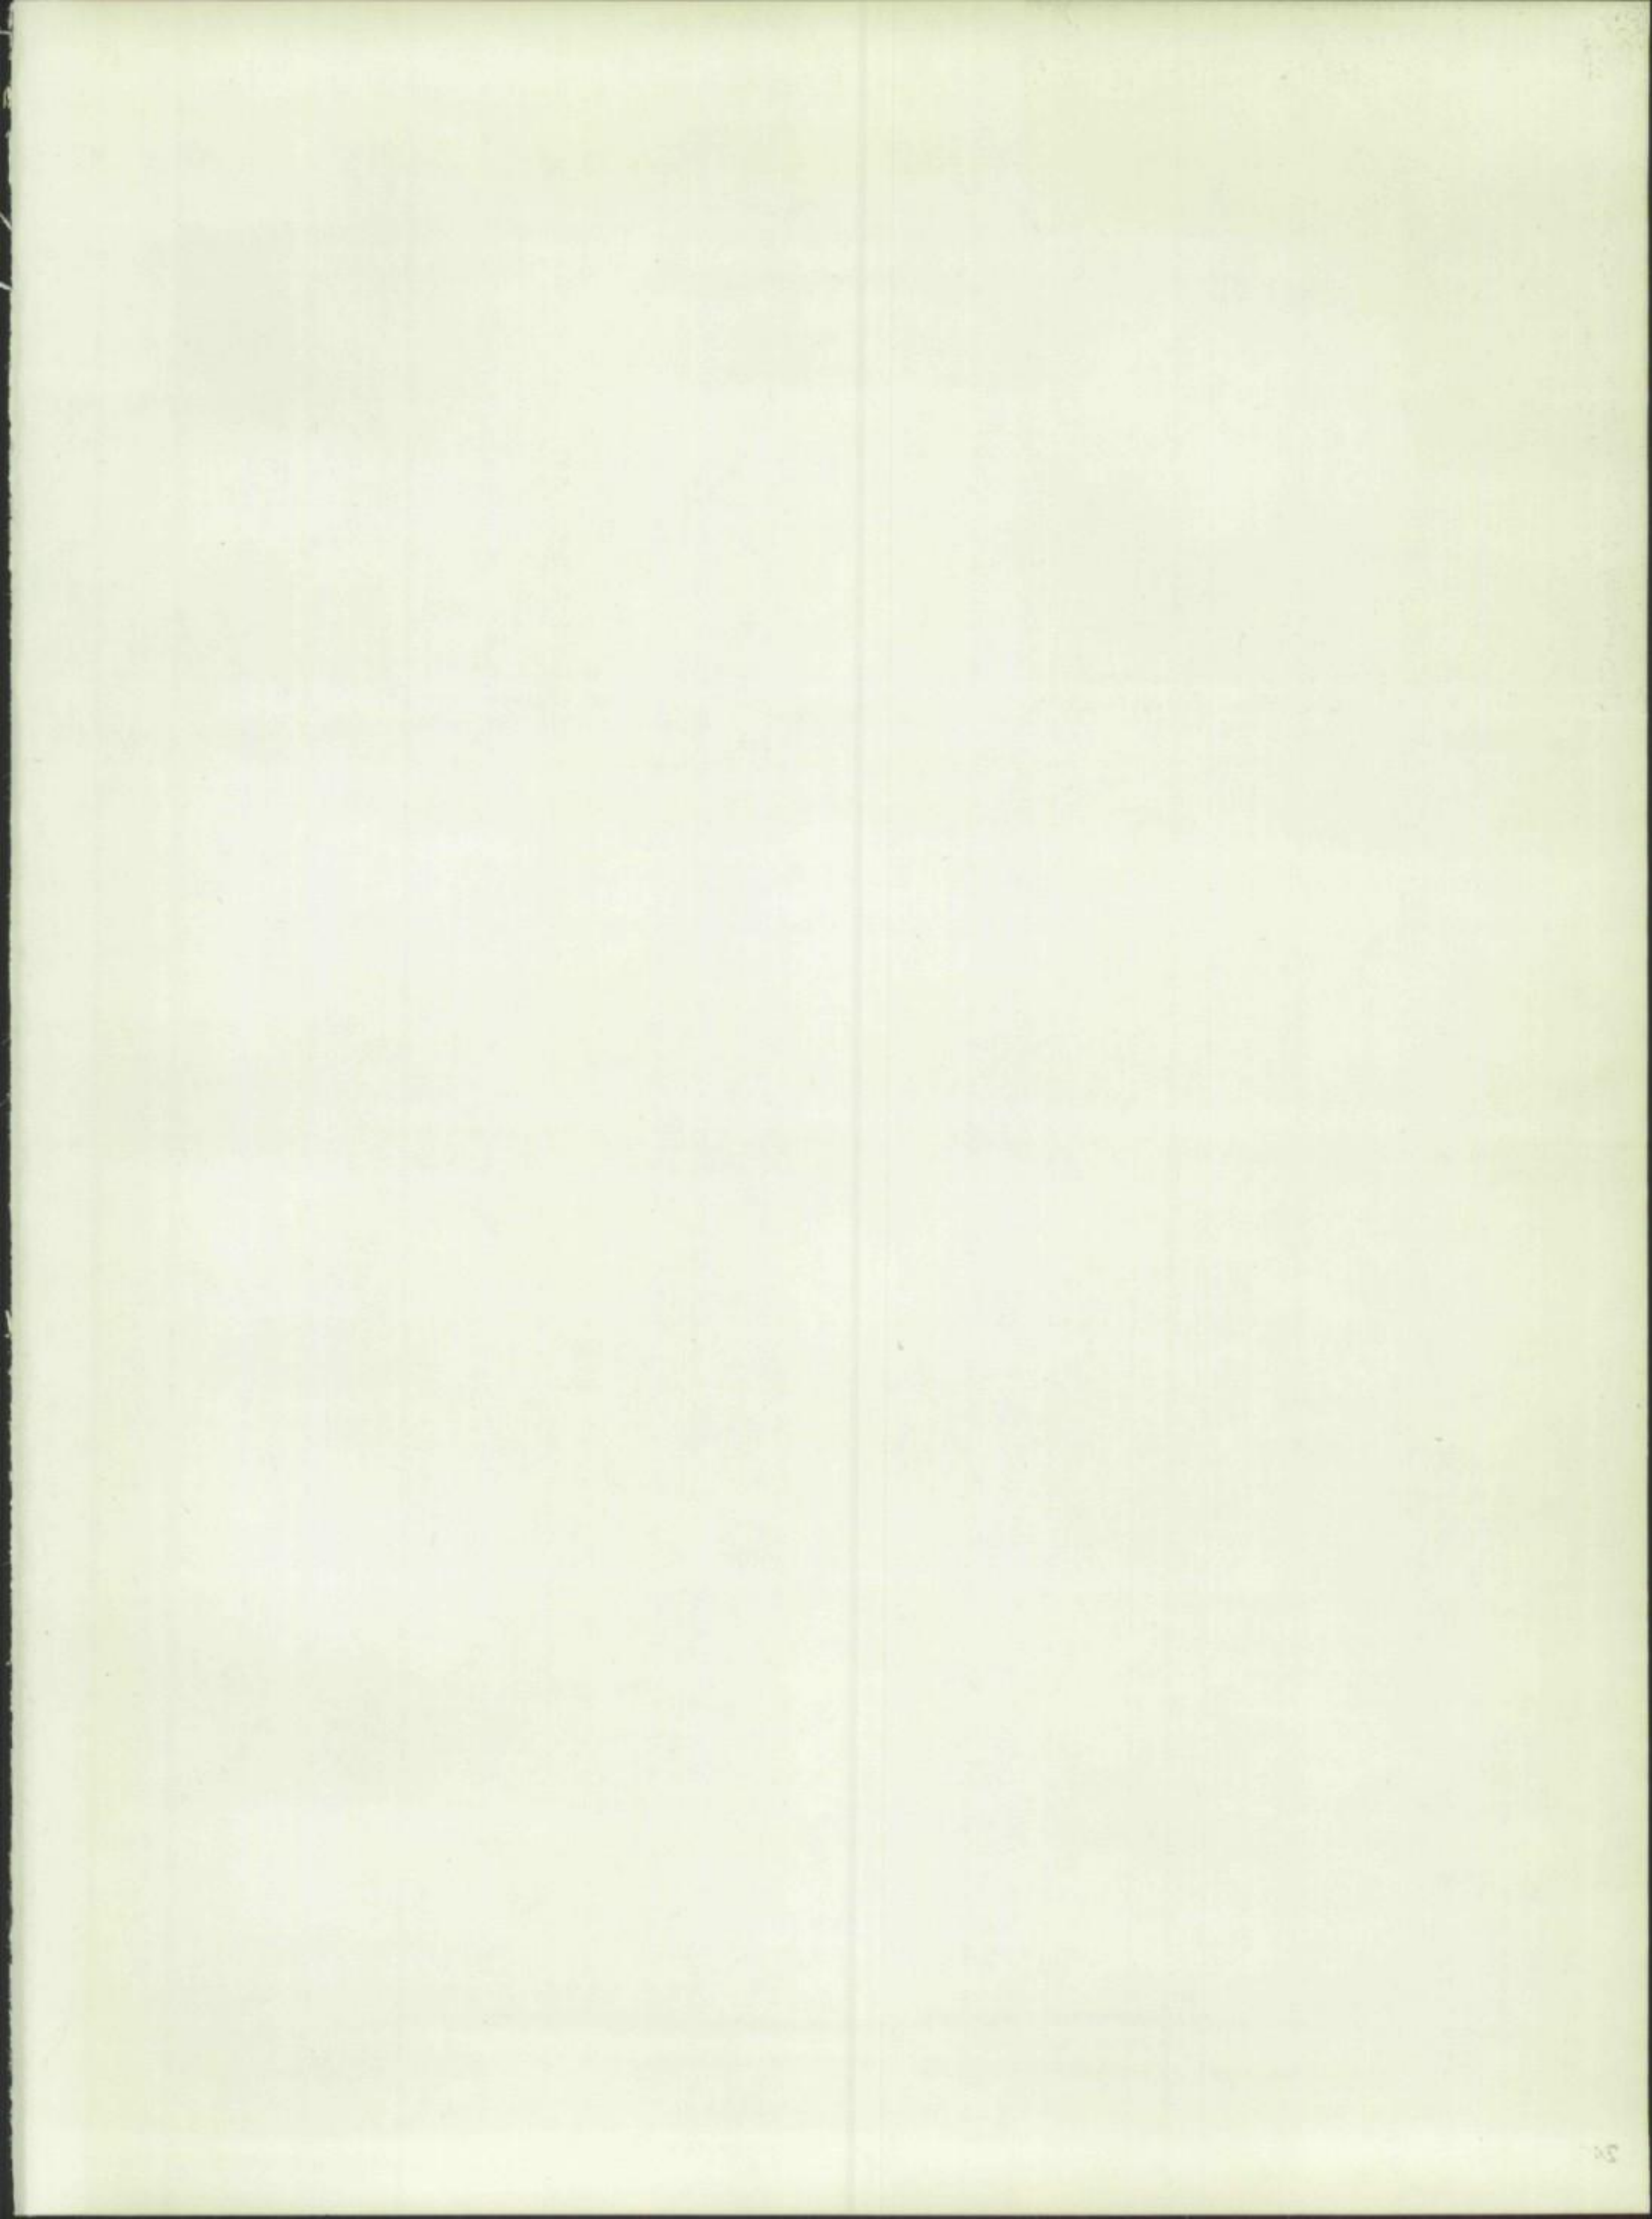

TRUE FRIENDS . . .
